Certificate Programs

The tuition charge for each Certificate Program is the same as its corresponding Undergraduate and Graduate Degree tuition charge.

Financial Check-in (FCI)

Financial Check-In (FCI) is Liberty University's online system that secures financial arrangements with the University for direct charges like tuition and fees, to include prior, current, and/or future balances. All students are required to complete FCI through ASIST each semester before attending a class or arriving on campus. Current deadlines, procedures, and payment options can be viewed on the Student Financial Services webpage. Students who do not complete FCI by the published deadline will be subject to having their courses and housing (if applicable) dropped

and will be assessed a late Financial Check-In fee of \$150. FCI deadlines are given in Eastern Standard Time (EST).

Once a student completes FCI, all payments made prior to the beginning of the semester are held as a deposit to secure the student's class schedule, institutional grants or scholarships, and housing, as applicable.

- **First term residential students:** First complete FCI then register for classes.
- **Returning residential students:** Register for courses during the open registration period then complete FCI.
- **All online students:** Register for courses and then complete FCI.

Non-Attending or Non-Returning Students

If an online student decides not to attend and drops their course(s), they may request a refund of the initial payments (excluding payments covering non-refundable fees) by emailing luostudentrefunds@liberty.edu.

If a new resident student decides not to attend and drops their course(s), they should contact the Admissions Office to request a refund of the initial payments (excluding payments covering non-refundable fees). If a current resident student decides not to return, the student's Professional Advisor in the College of Applied Studies and Academic Success (CASAS) must be notified in writing with a request for a refund of the initial payments (excluding payments covering non-refundable fees) **prior to the last day of drop/add week**. This written request may be sent to advising@liberty.edu (sao@liberty.edu). Without prior written notification, the student is subject to the conditions described in the official withdrawal policy (explained below).

Payments on Student's Account

Payments on a student's account can be made by check, ACH, money order, cashier's check, credit/debit card, online via the student's ASIST account, or through Liberty's International payment portal (for international students only). Liberty University cannot process payments from non-U.S. bank accounts, money markets, trusts, home equity loans, or savings accounts. Cash payments are received at Cashiering & Treasury Services located in the Student Service Center in Green Hall. Liberty accepts international payments through Liberty's International Payment Portal powered by Flywire.

By using Liberty's International payment portal, the student can:

- Execute, track, and confirm international payments online.
- Choose payment options from their home country.
- Access a 24/7 multilingual Customer Support Team.
- Save on bank fees and ensure the best exchange rates with Flywire's Best Price Guarantee.

A student's account must be paid in full prior to registering for any future courses. When a student completes FCI for a future term and then becomes delinquent in the current term, if financial aid is removed or reduced on the account due to a change of eligibility, the resulting balance must be resolved prior to future registration. In this circumstance, the student should consult a Student Accounts Contact Center Agent to discuss payment options.

Monthly account statements are sent to current students who have an outstanding account balance via their Liberty email address.

Please visit the Student Financial Services webpage for current information on procedures, payment options, and schedules.

Payment Plans

The University may offer a student the option of paying remaining balances through a monthly payment plan as an alternative to paying in full. Payment plan options will vary depending upon when Financial Check-In is completed. Payment plans are interest-free and include a non-refundable \$50 participation fee. The participation fee is factored into the student's total balance and is charged for every semester that a student participates in a payment plan. Special payment plans with varying fees may be offered to students with delinquent balances.

Payment plans are scheduled with automatic monthly drafts. The initial payment is due immediately upon acceptance of the payment plan, and the remaining installments are automatically processed on the scheduled draft date from the established checking account or debit/credit card.

It is the responsibility of the student to maintain current and valid bank or credit card information on their account. Under the payment plan agreement, the student must ensure that the account has sufficient funds at the time of the scheduled drafts. When using a debit/credit card, the student must check with the bank or credit card company that the daily spending limit can accommodate the draft amount. The bank or credit card account must be from an institution that participates in automatic draft programs.

It is the responsibility of the student to ensure that all financial aid estimates are reflected correctly prior to the processing of the first draft. If charges or payments are added, removed, or adjusted after the payment plan is in place, resulting in an increase or decrease in the remaining balance, it is the responsibility of the student to review and make adjustments to the payment plan. Any payment(s) made outside of the payment plan will not prevent the next scheduled draft from being processed. The student may confirm any changes by reCompleting FCI. The system will calculate and display new draft amounts in FCI, and once completed, the FCI receipt page will display the updated draft amount(s). If the student fails to recomplete FCI to confirm the adjusted drafts, the previously confirmed draft amount(s) will be processed, and the student is responsible for paying any remaining balance.

While it remains the responsibility of the student to manage adjustments to the payment plan, Liberty University reserves the right to adjust a payment plan down as necessary. The University also reserves the right to cancel/terminate a payment plan for any reason and/or remove a student from a financially checked-in status. The student may also be removed from classes, have services suspended, and/or have curriculum access blocked.

Failed Payment Processing Fee

A student will be charged a non-refundable failed payment processing fee for each returned or declined payment made via check, ACH, debit card automatic draft, or credit card automatic draft. If a student accumulates three or more returned or declined payments within a year, the student:

- May be ineligible to participate in payment plans.
- May not be able to make online payments or automated monthly draft payments via ACH.

Check Cashing

As a courtesy to currently enrolled students, the Cashiering & Treasury Services Office will cash checks from parents, the student's personal checking account, or a Liberty University payroll check.

The maximum amount that may be cashed is \$50 per week, and a \$1 fee will be assessed for each cashed check. If a check is returned or declined for any reason, the student's account will be charged the check amount as well as a returned payment fee. The student may lose the privilege of cashing checks with Liberty University after two offenses.

Online Class Attendance

Regular attendance in online courses is expected throughout the length of any courses the student is taking. Online students who do not attend within the first week of a course by submitting an academic assignment (such as the Course Requirements Checklist, an examination, a written paper or project, a discussion board post, or other academic assignments) will be dropped from the course roster and will not be allowed to submit further course work. The student may appeal to their instructor to remain in the course.

The student is solely responsible for any coursework missed due to non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed.

Students who attend a course by submitting an academic assignment and then eventually cease progressing toward the completion of the course will be assigned a grade of FN (Failure for Non-Attendance) during the semester.

Technology Fee

To provide students with the best online platform tutoring services, software, IT Helpdesk Support, and updates, a technology fee will be assessed every semester of enrollment.

Housing Fee

An eligible student living in University housing is required to pay the applicable housing fee each semester depending on location and amenities as outlined in the housing policy.

If a student moves into the residence hall and then withdraws or is allowed to move off campus at any point during the academic year, a portion of the housing fee may be prorated back to the student's account based on the date that the student removes items from the residence hall (see regulations in the Student Affairs section of this publication).

In the Spring semester, if a student does not remove items from the previous semester and withdraws, the student may be charged a prorated amount of the housing fee based on the date of removal of items.

The student must check with the Office of Residence Life if they are considering moving off campus or withdrawing before the end of the academic year after completing FCI.

Dining Fee

Any student living in University housing is **required** to pay applicable dining fees each semester. The fee covers the selected resident dining plan in the University dining hall and other dining locations on campus. This requirement allows students to focus on academics and extracurricular activities rather than basic needs such as food

and shelter. The required dining plan for students living in University housing promotes healthy living, social engagement, and the residential community experience.

If a student moves into the residence hall and then withdraws or is allowed to move off campus during the academic year, a portion of the dining fee may be prorated based on the date that the student removes items from the residence hall and/or the last date that their meal plan was used.

Books and Supplies

Tuition and fees may not cover the cost of all course materials. Costs will vary according to the student's course of study. The student should purchase any materials that are not covered after registration but prior to the sub-term start date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term start date.

Resident Students: Resident students using financial aid or payment plans can pay for books and supplies by requesting a book voucher advance for use at the on-campus bookstore. To estimate the amount needed for the book voucher, contact the Liberty University Campus Bookstore. Students can add funds to a book voucher through Financial Check-In. Any amount added to the voucher that is not covered by the student's credit (if applicable) must be paid out of pocket. Book Vouchers for resident students may only be used at the Liberty University Campus Bookstore.

The following funds may be used by resident students when purchasing textbooks:

- **Book Vouchers:** Students can opt to have funds transferred to the bookstore as a book voucher through FCI.
- **Flames Cash:** funds can be applied to a Flames Cash Account and used at the University bookstore as well as other approved participating merchants. Current information can be accessed on the Flames Cash webpage.

Online Graduate Students: Any online course materials are only available through BNC Virtual. Online graduate students using financial aid or payment plans can pay for books and supplies by requesting a book voucher advance for use at BNC Virtual. To estimate the amount needed for the book voucher, students should contact BNC Virtual. Students can add funds to a book voucher through FCI, which is transferred to BNC Virtual for the student to use. Any amount added to the voucher that is not covered by the student's credit (if applicable) must be paid out of pocket.

Any online student taking a *Resident* or *Intensive* course may need to purchase their books and supplies through the Liberty University Campus Bookstore.

Personal Needs

Laundry, cleaning, spending money, items related to personal grooming, towels, sheets, pillows, off-campus transportation, etc., vary by individual and are the student's responsibility.

Course, Online Content, Material, and Inclusive Access Fees

The student is responsible for paying applicable course fees, online content fees (including e-Books), material fees, inclusive access fees,

and fees charged for special elective-type courses by organizations other than the University. A list of these fees is published on the Student Financial Services Course Fees webpage. Fees are non-refundable unless stated otherwise.

The inclusive access fee includes electronic access to required course content and direct access to Canvas at any time and on any device. If applicable, the fee may cover the cost of printed course materials for Online courses. The fee is required and is non-refundable.

Activity Fee

All resident students are required to pay an activity fee each semester (Fall and Spring). This fee provides access to Liberty University activities, admission to athletic events, access to the LaHaye Student Union recreational facilities, and helps to offset the cost of other resources dedicated to student activities. Regardless of residence status, all students are subject to this fee. This fee is not prorated for part-time students.

Health Fee

All residential students are required to pay a health fee each semester (Fall and Spring). Services covered by the health fee can be reviewed on the LU Student Health webpage. This fee is not prorated for part-time students.

Liberty University requires students to be immunized according to the Centers for Disease Control and Prevention guidelines before classes begin each semester. Students who do not submit documentation of immunizations and medical history will have a health records late fee added to their student account.

International Health Insurance

For information about this fee, please visit the International Student Center's Health Insurance webpage.

Rawlings School of Divinity Activity Fee

All School of Divinity students are required to pay the School of Divinity Activity Fee each semester to help offset the cost of the School of Divinity's Student Government and social events sponsored on behalf of School of Divinity students. Regardless of residence status, all School of Divinity students are subject to this fee. This fee is not prorated for part-time students. **The School of Divinity Activity Fee does not apply to online students.**

School of Law Activity Fee

All Law School students are required to pay the Law School Activity Fee each semester to help offset the cost of the Law School's Student Government and social events sponsored on behalf of law students. Regardless of residence status, all students are subject to this fee. This fee is not prorated for part-time students.

Degree Completion Application Fee

All graduating students must complete a degree completion application through their ASIST account. A \$100 degree completion application fee is automatically assessed when the application is processed, not upon degree conferral. This non-refundable fee is not contingent on the student's attendance at graduation events or activities.

Certificate Completion Application Fee

A certificate completion application fee is automatically assessed by the Registrar's Office near the time of the Certificate Completion Application, not certificate conferral. This is a non-refundable fee.

Flames Pass

The Flames Pass is the official Liberty University ID card. The card can be used for meal plans, Flames Cash, campus events and recreation, authorized building entry, student discounts, and other activities and services. Once Financial Check-In (FCI) is completed, the student may obtain a Flames Pass by submitting a photo online or visiting the ID & Campus Services Office. In the event a physical Flames Pass is lost or damaged, the student will incur a \$25 replacement fee.

Flames Cash

Flames Cash is the declining balance account accessed through the Flames Pass. Funds added via Financial Check-In are available approximately six weeks prior to the start of a term. Funds added online and in person are available immediately. These funds are accepted at participating on- and off-campus merchants. Flames Cash provides a convenient and secure way to carry money with no account fees, rolls over from year to year, and can be easily added and managed online.

BankMobile Disbursements

BankMobile Disbursements, a technology solution, powered by BMTX, Inc., is the University's refund management third-party servicer that disburses refunds, per diems, and stipends for the University. For more information about BankMobile Disbursements, visit their website.

Additional Information

Additional information about the Flames Pass, Flames Cash, and BankMobile Disbursements can be found on the Flames Pass webpage.

Withdrawal Fee

A \$50 fee will be charged for the processing of an official, unofficial, or administrative withdrawal, or ceasing attendance from the University.

Fee Appeal Policy

Students may appeal a late Financial Check-In (FCI) Fee, returned payment fee, or activity fee (the appeal of an activity fee is only applicable to resident students) by submitting a written appeal online to the Student Accounts Office within 30 business days of the billing/notification. The student may fill out the fee appeal form and must attach all supporting documentation. The student will receive a response within 7 days of receipt of the appeal.

If a student would like to appeal any other charge, they may submit a written appeal to the department that assessed the charge.

Students repeating flight courses may request to have their applicable flight fees waived in some circumstances. Contact the School of Aeronautics for more information.

Refund Policy for Enrolled Students

Enrolled qualified students can receive a refund from their student account once all financial obligations have been met if a credit balance remains.

FCI provides students with two credit-management options:

- By Selecting "Don't send me a refund," a student authorizes Liberty University to hold a Title IV credit balance for a future term.
- By Selecting "Send me a refund," a student authorizes Liberty University to release a Title IV refund to the student (in all cases except Parent PLUS loan refunds).

Credit from Title IV must be refunded via a student's selected refund preference. At the end of each academic year, all Title IV (Federal Grants and Federal Loans) credit balances must be refunded or returned to the U.S. Department of Education in the case of federal student loans. Credit balances will **ONLY** be refunded to the student.

- **Refunds will be released by the University and then disbursed by BankMobile Disbursements, a technology solution, powered by BMTX, Inc.** The student must select a refund preference according to instructions provided by BankMobile Disbursements. For more information about BankMobile Disbursements, visit their website.

Title IV Refunds

(Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan, Federal Direct Parent PLUS loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant [FSEOG], etc.)

Within the FCI process, students authorize the handling of a credit balance on their student account. The funds may be held throughout the academic year and apply to account balances, or students can authorize the credit balance to be refunded. Please note that certain finance charges cannot be paid for by Title IV aid, and students with these charges may be required to pay them using an alternative method.

Liberty University encourages students to borrow the minimum amount of loans needed to cover direct charges. Students who wish to reduce their loans to eliminate a credit balance to refund may do so by completing a Federal Direct Student Loan Change Request Form in their ASIST accounts.

Title IV aid, in addition to institutional and State aid, is disbursed 21 days after the student becomes eligible. Title IV refunds begin processing on day 25, but all are processed within 14 days from when aid is disbursed in accordance with federal regulations.

For more information about disbursements, visit the Student Financial Services homepage under the Disbursement Process link for more information.

Refunds Unrelated to Title IV Aid

For credit balances not derived from federal aid, the student may submit a refund request to the Student Accounts Office. A refund from credit or debit card payments will be refunded back to the original payment card. Written requests must be sent to:

Official Withdrawal Policy for Resident Students

Liberty University is committed to the success of every student and will work with each student to determine the best way to handle any financial and/or academic challenges. Withdrawals from Liberty University fall under different categories: academic, administrative, medical, or

personal. To begin an official withdrawal from Liberty University the student **must** stop by, in person, to meet with their Professional Advisor in CASAS.

Please note: Resident students who must withdraw due to military deployment are required to meet with their Professional Advisor in CASAS with a copy of their orders. They will then be referred to the Office of Military Affairs.

• Resident Student:

- Withdrawing from individual courses while maintaining enrollment in others, does not constitute a total withdrawal.
- Students requesting to withdraw from courses during the semester must submit a **Withdrawal Form** to the Registrar. Generally, the withdrawal date will be the date the student submitted the form to the Registrar.
- No refund will be issued for resident students withdrawing from individual courses, and all billing hours will remain on the student's account.
- Please note: For Residential students, a tuition proration will not be completed unless the student is withdrawing from all courses.

• Intensives & Summer School

- A resident student who withdraws from an on-campus intensive or summer course will be assigned a grade of "W" for that class and will be responsible for all tuition and fees. If the student withdraws due to documented medical reasons, a proration of fees may be granted. For more information, please visit the Registrar's withdrawal webpage.

Unofficial Withdrawal

The University has established a procedure, in accordance with Title IV regulations, to determine if students enrolled in the courses are progressing toward the completion of their courses. The Title IV regulations require universities to have a mechanism in place for determining whether a student who began a course and received or could have received a disbursement of Title IV funds, unofficially withdrew.

Students who have begun and cease to submit any academic assignments (such as an examination, written paper or project, discussion board post, or other academic event) during the enrollment period, will be assigned grades of FN. Students receiving all FNs in a semester will be processed as an unofficial withdrawal. The withdrawal date is the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation may be performed, and the student may be reported as withdrawn. Students will be notified by the Financial Aid Office regarding the results of the Title IV withdrawal calculation. The student will be responsible for any remaining account balance.

Medical Withdrawal Policy

This only applies to **resident students** and is strictly for medical conditions documented by a licensed physician. Tuition, housing (if applicable), and some fees may be prorated according to the date of withdrawal. The student is responsible for 100% of non-refundable fees.

Official Withdrawal Policy for Online Students

Liberty University is committed to the success of every student and will work with each student to determine the best way to handle any

financial and/or academic challenges. The online withdrawal categories are administrative, military, official, and unofficial.

Administrative Withdrawal

An expulsion resulting from violation of the disciplinary system, or any other valid reason initiated by the University which is approved by an authorized University administrator will result in an administrative withdrawal. Grades of "W" will be recorded in all courses for which the student is registered.

Military Withdrawal

Online students who must withdraw due to military duties are required to send a copy of their orders and other supporting documentation to the Military Affairs Office. Military Affairs will then conduct a review to determine if the student is eligible for an official military withdrawal. Additional information regarding military withdrawals can be found on the Military Withdrawals webpage.

Official Withdrawal

Online students who desire to withdraw from one or more courses in a semester, or the University, must contact the Liberty University Online Academic Advising Department by phone or via their Liberty University webmail account to start the withdrawal process.

A total withdrawal is when a student ceases all active enrollment in a semester. A partial withdrawal is when a student withdraws from the individual course(s) but has active enrollment remaining in the semester of the withdrawal.

If a student withdraws from a sub-term and is registered for course(s) in the future sub-term(s) during the semester of the withdrawal, the student must submit a **letter of intent** to remain in the future courses. If a letter of intent is not submitted with the withdrawal, the student will be automatically dropped from the future sub-terms, resulting in a total withdrawal from the semester.

Unofficial Withdrawal

The University has established a procedure in accordance with Title IV regulations, to determine if students enrolled in online courses are progressing toward the completion of their courses. The Title IV regulations require universities to have a mechanism in place for determining whether a student who begins a course and received or could have received a disbursement of Title IV funds, unofficially withdrew.

Students who have begun, yet cease to submit academic assignments (such as an examination, written paper or project, discussion board post, or other academic assignments) during the enrollment period, will be assigned the grade of FN. If a student receives the grade of FN for all courses in a semester and ceases attendance, an unofficial withdrawal will be processed for that semester. The withdrawal date is the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation will be performed based on the withdrawal date and the student will be reported as withdrawn. Students will be notified by the Financial Aid Office regarding the results of the Title IV withdrawal calculation.

Students who do not make payments on their account within a reasonable amount of time may be denied access to some University services until such arrangements are made. If a student is 10 or more days delinquent on his account, the student may be removed from classes. Failure to make financial

arrangements could ultimately result in removal from university housing and an administrative withdrawal.
