

AUTISM EDUCATION GRADUATE CERTIFICATE

Purpose

The purpose of the non-licensure Graduate Certificate in Autism Education is to equip teachers, administrators, therapists, and interested community members to facilitate the education of people with autism in the academic, social, and emotional domains. Through a loving and valuing Christian perspective, graduates will be equipped to create autism-friendly environments in schools, classrooms, churches, and community settings.

Program Learning Outcomes

The student will be able to:

- Understand the unique characteristics, instructional and behavioral needs of students on the autism spectrum.

Program of Study
