

EDUCATION (M.ED.) - ADMINISTRATION & SUPERVISION

Important: This degree plan is effective for those starting this degree program in fall 2024 through summer 2025. This degree plan will remain in effect for students who do not break enrollment or who do not change degree programs, concentrations, or cognates.

A current initial teaching license and the accompanying two years of experience with that license is necessary before beginning this program. If the initial teaching license is not from Virginia, a Virginia initial teaching license must be obtained during the program. After completion of the required program coursework (including internship), the passing of licensure tests, and a third year of experience, the graduate of this program would be eligible for adding the VA state licensure endorsement.
