MASTER OF ARTS IN TEACHING (M.A.T.)

The Master of Arts in Teaching degree program is designed for the purpose of initial teacher licensure.

Purpose

Liberty University strives to produce educators who model high academic, moral, and spiritual standards before their peers, and who have dedicated their lives to educational leadership. Concurrent with this goal, the graduate programs offered by the School of Education are designed to prepare candidates for effective educational leadership in Christian, public, and private schools.

Program Learning Outcomes

A graduate of the Initial Licensure Master of Arts in Teaching program:

1. Knows Christian values, moral dimensions, and ethical implications synthesized with academic knowledge
   a. Demonstrates a broad base of professional and general knowledge.
   b. Demonstrates knowledge of content in the endorsement area.
2. Implements skills as a gift from God, because teaching is a calling from God
   a. Integrates skills in speaking, writing, reading, and listening for effective classroom communication, peer leadership, and professional involvement.
   b. Designs and selects a variety of instructional strategies based on the developmental levels and individual needs of the learner.
   c. Applies knowledge of content areas and curriculum goals to design and supervise appropriate instruction.
   d. Enhances the success of all diverse learners, providing for special needs and diverse backgrounds.
   e. Manages classroom climate and procedures to motivate students and maximize learning.
   f. Integrates a variety of assessment strategies to improve student learning.
   g. Integrates appropriate technology and resources to support instruction and to facilitate professional development opportunities.
   h. Provides evidence of student learning at the grade level and content appropriate for the endorsement.
3. Believes and practices personal integrity, social responsibility, sensitivity to the needs of others, and the betterment of humanity consistent with our mission to prepare competent professionals with a biblical worldview for Christian, public, and private schools
   a. Models personal integrity and sensitivity to human needs.
   b. Demonstrates behaviors of a reflective practitioner and seeks opportunities for collaboration and professional development.

Program Specific Admission Requirements

Programs that Lead to Initial Licensure

In addition to the general admission procedures, specific admission requirements for the Master of Arts in Teaching (M.A.T.) program are:

1. Earned baccalaureate degree or its equivalent from an institution accredited by an agency recognized by the U.S. Department of Education (e.g., SACSCOC, TRACS, ABHE, etc.).
2. GPA of at least a 3.00 on a 4.00 scale (cautionary admission is an option if the candidate has at least a 2.50).
3. TOEFL Scores for candidates who speak English as a second language (score of 600 paper-based test; 250 computer-based test, 80 internet-based test).

Transfer of Credit

All graduate transfer credits are subject to the approval of the School of Education (SOE) Graduate Committee. Such courses must carry a grade of at least a B- and be comparable to Liberty University graduate courses. Transfer credit will only be considered from institutions or schools accredited by an accrediting agency recognized by the U.S. Department of Education. With approval, up to 18 hours may be transferred into the M.A.T. programs. It is the responsibility of each applicant to supply official transcripts along with a written request to have credit applied to the degree program. Transfer credits must have been completed within the previous ten (10) years.

Credits from a prior degree on the same academic level earned through Liberty University are considered transfer credits.

Graduation Requirements

In addition to other regulations governing graduation as stated in the Liberty University Catalog, M.A.T. candidates must meet the following requirements:

1. Complete a minimum of 36 semester hours for the M.A.T.
2. A maximum of 50% of the program hours may be transferred if approved and allowable, including credit from an earned degree from Liberty University on the same academic level.
3. Maintain a 3.00 GPA to remain in the program with no more than two C’s permitted (includes grades of C+ & C-). While all course grades are averaged into the GPA, course credit toward degree completion will not be granted for a grade of D (or D+/D-) or F.
4. For information regarding the repeat policy, please refer to “Course Repeat Policy” in the Academic Information and Policies section of this Catalog.
5. Additional requirements may be necessary depending upon the student’s academic background. All contracts made between the SOE Program Director and the student upon acceptance into the degree program must be satisfied before the degree will be awarded.
6. The M.A.T. must be completed within five years.
7. Submission of Degree Completion Application must be completed within the last semester of a student’s anticipated graduation date.

Licensure Guidelines

The Educator Preparation Program is designed to meet licensure requirements of the Commonwealth of Virginia in the candidate’s approved specialization. In addition, candidates who complete the Educator Preparation Program are eligible for the Association of Christian Schools International certificate.

The Educator Preparation Program has been officially approved by the Virginia Department of Education and is accredited under NCATE standards through the CAEP Accreditation System. Approved programs include all initial licensure M.A.T. programs in Elementary, Middle, Secondary, or Special Education. Candidates entering the M.A.T. program...
must indicate their intention to pursue Virginia licensure when they apply for candidacy in the graduate program. Each concentration has licensure requirements beyond the master's degree. Upon completion of all requirements, the candidate must submit the licensure application and fee to Liberty's Teacher Licensure Office. Liberty's Coordinator of Teacher Licensure Records will submit the candidate's application packet to the Virginia Department of Education.

Graduates who have successfully completed Liberty's Educator Preparation Program are eligible for a standard Collegiate Professional License from the Virginia Department of Education. Though candidates must pass a background check for entrance into the Liberty University School of Education EPP (Educator Preparation Program), the VDOE (Virginia Department of Education) also makes determinations concerning the eligibility of candidates.

Please see the VDOE website to see the list of questions that will be asked of each applicant.

The Liberty University School of Education utilizes a gate system to ensure the successful progression of its candidates through the EPP (Education Preparation Provider) program. The following gates are described below:

- **Gate 1:** University Admission and Declaration of Major
- **Gate 2:** Program Status Check
- **Gate 3:** Program Admission/Student Teaching Application
- **Gate 4:** Program Exit/Licensure Application

Please visit www.liberty.edu/advisingguide for specific requirements at each gate.

Please see the VDOE website to see the list of questions that will be asked of each applicant.

**Initial Elementary, Middle, Secondary, and Special Education**

The candidate must:

1. Hold a bachelor's degree in a liberal arts area (or equivalent) from an institution that is accredited by an agency that is recognized by the U.S. Department of Education. Secondary licensure requires a major (or equivalent) in the endorsement area and the successful completion of the Praxis Subject Assessment content exam for the area of endorsement;
2. Successfully complete Liberty's M.A.T. in Elementary, Middle Grades, Secondary, or Special Education;
3. Obtain passing scores on all tests required for Virginia licensure; and
4. Complete a student teaching experience in the endorsement area.

**Time Limit for School Licensure**

1. Candidates must have completed all requirements necessary for school licensure within 5 years after completion of the graduate degree;
2. Candidates who have completed Liberty's M.A.T. and wish to return to Liberty University to complete the student teaching or internship required for licensure will be subject to the same five-year timeframe; and
3. Each case will be evaluated on an individual basis according to transcripts, program changes, time elapsed from completion of coursework, and recent experiences in the field of education.

**Licensure in Other States**

Candidates who have completed Liberty's M.A.T. may be eligible for licensure in other states by interstate agreement. Verification that the candidate has completed a state-approved program may be required for reciprocity with other states; therefore, it may be necessary for the candidate to complete the additional requirements listed above for Virginia licensure in order to qualify for reciprocity. Liberty's Teacher Licensure Office has addresses for the licensing agencies in other states and will assist in completing the appropriate forms. Some states require a state-specific course or test but will grant a provisional license so that the applicant can be employed while completing the additional requirements. It is the candidate's responsibility to obtain the appropriate forms from other states to submit to LU's Licensure Office.

For further licensure information e-mail: gate4@liberty.edu; fax (434) 582-2468.

As a condition of Liberty's Certificate of Approval from the Alabama Commission on Higher Education, the following disclaimer pertains to Liberty's online programs in Teacher Education:

**Teacher Education:** State Authorization to provide a program related to the preparation of teachers or other P-12 school/system personnel does not indicate eligibility for an Alabama certificate. Applicants for an Alabama certificate must meet Alabama's test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P-12 school system(s). www.alsde.edu.

1 Additional hours may be required for Virginia Licensure

30 hours for the MAT in Secondary Education 5th year option

**Note:** Candidates seeking licensure as secondary teachers should have completed a bachelor's degree with a major in the intended endorsement area, or a degree in a related field with courses similar to that required for a bachelor's degree in the field of study. Any deficiencies in course requirements must be addressed prior to student teaching. See Content Competencies for subject area. In addition, candidates must successfully complete the appropriate Subject Assessment content exam in the area of endorsement prior to student teaching.

Candidates seeking licensure at the middle school level should have completed a bachelor's degree with a strong background in one or more of the following four subject areas: English, History/Social Science,
Mathematics, or Science. Any deficiencies in course requirements must be addressed prior to student teaching. [See Content Competencies for elementary/middle education.] In addition, candidates must successfully complete the appropriate Praxis II middle school content exam in the area(s) of endorsement prior to student teaching.

Programs of Study

Delivery Format: Online Only

(Select optional intensives available)

- Teaching (M.A.T.) - Elementary Education
- Teaching (M.A.T.) - Middle Grades Education
- Teaching (M.A.T.) - Secondary Education
- Teaching (M.A.T.) - Special Education [General Curriculum Endorsement]

Career Opportunities

- Elementary Teacher
- Middle School Teacher
- High School Teacher
- Special Education Teacher

Courses

EDUC 500 Learning Theory 3 Credit Hour(s)
An overview of the teaching-learning process. Topics include learning theory, individual differences, motivation, human development, exceptionalities, teaching methodology, measurement, and evaluation.

Offered: Online

EDUC 501 Advanced Child Development 3 Credit Hour(s)
An examination of physical, cognitive, spiritual and social/emotional development, and guidance of a young child.

Offered: Online

EDUC 504 Historical and Philosophical Foundations of Education 3 Credit Hour(s)
Online Prerequisite: Education Gate 1 with a score of 5
A comprehensive survey of the historical and philosophical development of education. Emphasis is placed upon analysis of religious and public educational trends in the past and present. The candidates will be required to formulate a personal, Christian worldview philosophy.

Registration Restrictions: Background Check Required

Offered: Online

EDUC 507 Educational Statistics 3 Credit Hour(s)
An examination of descriptive statistics and basic inferential statistical techniques. Also, hypothesis testing, confidence intervals and correlation techniques will be studied.

EDUC 518 Educational Research and Assessment 3 Credit Hour(s)
Overview of the nature of research on human development, learning, and pedagogical knowledge and skills. Topics include current trends and issues in education, skills in data collection and assessment, and application of research in the school setting.

Offered: Online

EDUC 520 Foundations of Exceptionality 3 Credit Hour(s)
A comprehensive course dealing with the characteristics of children and youth with disabilities and topics related to models of service delivery, documentation procedures, and legal/ethical issues. Recommended as the first special education course.

Offered: Online

EDUC 523 Principles of Behavior Management 3 Credit Hour(s)

EDUC 524 Collaborating for Successful Inclusive Classrooms 3 Credit Hour(s)

Online Prerequisite: EDUC 500
A study of the types and characteristics of students with learning disabilities. Emphasis will be placed on classroom intervention strategies. Field experience required.

Offered: Online

EDUC 525 Collaborating for Successful Transitions 3 Credit Hour(s)

Online Prerequisite: EDUC 500 and (Background Check Clearance with a score of 5 or Background Clear International with a score of 5)
A study of the characteristics of students with intellectual disabilities. Curriculum and techniques will be investigated to enable achievement of individual potential academically, socially, and functionally.

Offered: Online

EDUC 526 Principles and Practices in Gifted Education 3 Credit Hour(s)
Candidates will explore the characteristics of gifted students as well as the emotional, academic, and social needs of gifted learners, with emphasis on those from special populations. Theories and strategies for differentiating curriculum designed for gifted students in heterogeneous and homogeneous groups will be analyzed.

Offered: Online

EDUC 527 Characteristics of Autism Spectrum Disorder and Assessment 3 Credit Hour(s)

This course provides an overview of autism across the lifespan and examines characteristics, definitions, eligibility criteria, incidence rates, and etiology. Assessment, diagnostic and identification criteria are described, and methods for monitoring the impact of interventions in a variety of service delivery models will be explored.

Registration Restrictions: Completed background check

EDUC 528 Communication, Language and Sensory Aspects for Autism 3 Credit Hour(s)

This course provides students with an overview of the components of communication and strategies to increase an individual's communication abilities, with emphasis on visual aspects of language. Sensory systems, sensory processing and sensory motor development, and the implication of sensory processing when developing a complete educational program for students with autism spectrum disorders will be discussed.

EDUC 530 Teaching Mathematics 3 Credit Hour(s)

Online Prerequisite: EDUC 500
An in depth study of the theory and processes of teaching mathematics to students in preschool through eighth grade, the course includes the instructional process in the area of numeration, operations and computations, geometry and logic. Candidates will participate in hands-on, modeled instruction, will construct and demonstrate models and teaching tools, and will complete a research project.

Offered: Online
EDUC 531 Teaching the Natural and Social Sciences  3 Credit Hour(s)
Using a thematic approach, the integration of the natural and social sciences with other areas of the curriculum is the focus of this course. Candidates will complete assignments in the areas of the natural sciences, social sciences, language arts, and Bible/character education. Candidates will also generate and implement a thematic teaching unit that includes instructional activities for the natural sciences, social sciences, language arts, and Bible/character education.
Offered: Online

EDUC 533 Teaching Writing Across the Curriculum  3 Credit Hour(s)
This course investigates theories and applications of writing to learn, using writing as a means of learning in the English classroom and within the disciplines.

EDUC 535 Secondary Instructional Procedures  3 Credit Hour(s)
A course in secondary methodology focusing on competencies associated with individualizing instruction, grouping students for cognitive subject-matter learning, and preparing advanced organizers for cognitive instruction. An emphasis will be placed on transferring theory into practice through selection and use of materials appropriate for the secondary classroom.

EDUC 536 Sec Instructional Procedures P  1 Credit Hour(s)
Micro-teaching will be used as a means of providing an opportunity for students to model and role play appropriate teaching methods and activities in the secondary school. Candidates will be required to observe in secondary classrooms, prepare a lesson, teach the lesson, and evaluate the experience.

EDUC 539 Current Issues in Content Areas  3 Credit Hour(s)
An examination of current content standards in a subject area. Research in the subject area will enhance content knowledge in preparation for content assessment required for teachers.
Offered: Online

EDUC 540 Historical Perspectives in Urban Education  3 Credit Hour(s)
An introduction to urban education and contemporary urban life in the United States of America. Candidates will examine educational issues in urban communities and learn strategies for developing partnerships between home, school, and community.
Note: Course offered beginning in Spring 2020
Offered: Online

EDUC 542 Culturally Responsive Teaching  3 Credit Hour(s)
An introduction to the culturally responsive teaching pedagogy that acknowledges, responds to, and celebrates cultural differences and offers equitable educational access to students from all cultural backgrounds. Students will explore the dynamics of race, class, and culture and how they affect diverse school populations.
Note: Course offered beginning in Spring 2020
Offered: Online

EDUC 543 Urban Schools and Communities  3 Credit Hour(s)
The social context of urban communities is tied to the success of urban schools. This course will analyze the connection between urban schools and communities and provide strategies for working with families and community stakeholders to advocate for children and improve educational outcomes for students from diverse backgrounds.
Note: Course offered beginning in Spring 2020
Offered: Online

EDUC 544 Research in Urban Education  3 Credit Hour(s)
An examination and analysis of research related to urban communities and urban education. Students will synthesize research findings to develop strategies for improved educational outcomes in urban schools.
Note: Course offered beginning in Spring 2020
Offered: Online

EDUC 547 The Differentiated Classroom  3 Credit Hour(s)
An introduction to the process of differentiation in K-12 classrooms, including differentiation of content, process, and product, in an attempt to maximize the potential for student success. Emphasis will be placed on the identification of individual student needs and learning styles.
Note: Course offered beginning in Spring 2020
Offered: Online

EDUC 550 Directed Practicum  6 Credit Hour(s)

EDUC 551 Comparative Educations  3 Credit Hour(s)

EDUC 554 Reading and Language Acquisition  3 Credit Hour(s)
Online Prerequisite: (Background Clear Out of State with a score of 5 or Background Clear International with a score of 5 or Background Clear Virginia with a score of 5 or Background Check Clearance with a score of 5) and Education Gate 2 with a score of 5 or Education Gate 2-Doctoral with a score of 5
This course is designed to impart a thorough understanding of the complex nature of language acquisition and the reading process. Emphasis will be placed on language acquisition, foundations of reading and writing, and the development of language use within and across different social and cultural contexts and developmentally appropriate levels.
Registration Restrictions: Background Check Clearance and Gate 2
Offered: Online

EDUC 555 Teaching Content Area Reading  3 Credit Hour(s)
Develops instructional competencies necessary for teaching reading and study skills essential in learning the concepts of content subjects. Applicable to teaching in grades 4-12.

EDUC 556 Introduction to Higher Education  3 Credit Hour(s)
This course is intended to give the candidate a broad overview of the postsecondary education system in the United States. The course will examine major trends, issues, and problems facing colleges and universities from a variety of perspectives, including historical, administrative, public policy, governance, and faculty.
Offered: Online

EDUC 557 Curriculum Fundamentals  3 Credit Hour(s)
An introduction to basic concepts and issues related to curriculum design, development, change and evaluation.
Note: To be taken the semester directly before student teaching or during student teaching.
Offered: Online

EDUC 588 Practicum in Education I: External  0 Credit Hour(s)
Online Prerequisite: Education Gate 2 with a score of 5 or Education Gate 2-Doctoral with a score of 5 and (Background Check Clearance with a score of 5 or Background Clear International with a score of 5 or Background Clear Out of State with a score of 5 or Background Clear Virginia with a score of 5) and (EDUC 554 (may be taken concurrently) or EDUC 656 (may be taken concurrently))
Candidates will participate in a supervised 45-hour practicum designed to link theory with practice. This practicum may be repeated one time with prior approval from the program chair.
Registration Restrictions: Background Check
Offered: Online

*Online* indicates that the course is available online.
EDUC 624  Instructional Methods for Behavior and Learning  3 Credit Hour(s)
This course will explore research and instructional approaches and methods for managing behaviors effectively. Emphasis will be placed on individualized, classroom and school-wide behavior support to prepare candidates for the special education classroom as well as student's going into the general education classrooms and community settings.
Offered: Online

EDUC 625  Content Instructional Procedures  3 Credit Hour(s)
Online Prerequisite: Education Gate 2 with a score of 5 or Education Gate 2-Doctoral with a score of 5 and (Background Clear Out of State with a score of 5 or Background Clear Virginia with a score of 5 or Background Clear International with a score of 5 or Background Check Clearance with a score of 5)
A course in content methodology focusing on competencies associated with individualizing instruction, grouping students for cognitive subject-matter learning, and preparing advanced organizers for cognitive instruction. An emphasis will be placed on transferring theory into practice through selection and use of materials appropriate for the secondary classroom.
Registration Restrictions: Background Check Clearance and Gate 2
Offered: Online

EDUC 626  Characteristics of Autism Spectrum Disorder and Assessment  3 Credit Hour(s)
This course provides an overview of autism across the lifespan and examines characteristics, definitions, eligibility criteria, incidence rates, and etiology. Assessment, diagnostic and identification criteria are described, and methods for monitoring the impact of interventions in a variety of service delivery models will be explored.
Registration Restrictions: Completed background check
Offered: Online

EDUC 627  Reading and Research in Gifted Education  3 Credit Hour(s)
Candidates will explore the contemporary issues and research in gifted education including the systematic gathering, analyzing, and reporting of formative and summative data and current issues on a local, state, and national level.
Offered: Online

EDUC 628  Communication, Language and Sensory Aspects for Autism  3 Credit Hour(s)
This course provides students with an overview of the components of communication and strategies to increase an individual's communication abilities, with emphasis on visual aspects of language. Sensory systems, sensory processing and sensory motor development, and the implication of sensory processing when developing a complete educational program for students with autism spectrum disorders will be discussed.
Registration Restrictions: Background check required
Offered: Online

EDUC 629  Technology and Diversity  3 Credit Hour(s)
This course focuses on the nature of individual learners as it impacts instructional design with the use of technology in education. Specifically, the course covers topics on tools, methods and approaches to meet learning needs of children with special learning, those of differing socioeconomic and cultural backgrounds, and those of varying learning styles and preferences. The course attempts to bridge the gap between theoretical implications and practical applications of diversity considerations in the context of educational technology integration.
Registration Restrictions: Background Check Receipt
Offered: Online

EDUC 630  Technology Practices for Instructional Improvement  3 Credit Hour(s)
This course has students research and engage best practices in educational technology usage for the purposes of inclusion in instructional practice for student learning and for assessment of student achievement as a result of instruction. Students practice and demonstrate competency in using productivity tools for professional and pedagogical practice. Further, students will develop means of effectively using technologies for communication and collaboration to improve teaching and learning.

EDUC 631  Foundations of Educational Technology and Online Learning  3 Credit Hour(s)
An introduction to the historical, theoretical, and philosophical foundations of educational technology and online learning systems; an overview of education technologies including online, classroom, and administrative; and an examination of effective techniques for teaching and learning within these systems.
Offered: Online

EDUC 632  Language Acquisition and Instruction  3 Credit Hour(s)
This course incorporates instructional strategies for a variety of methods for developing critical thinking in the areas of literacy and language arts. Emphasis is placed on teaching strategies in reading and the other language arts based on current theory and research.
Offered: Online

EDUC 633  Principles of Design and Management in Educational Technology and Online Learning  3 Credit Hour(s)
This course is designed to assist the education professional in developing a solid foundation in instructional design and current research. The student will develop the skills and knowledge to advance their instructional effectiveness in varied settings through application of technology theory and practice.
Offered: Online

EDUC 634  Teaching Science in the Elementary School  3 Credit Hour(s)
Contemporary methods and research for teaching science to elementary-aged students.
Offered: Online

EDUC 635  Teaching Science in the Middle School  3 Credit Hour(s)
Contemporary methods and research for teaching science to middle school students.
Offered: Online

EDUC 636  Teaching Social Studies in the Elementary School  3 Credit Hour(s)
An analysis of trends and practices of teaching social studies in the elementary school. An emphasis will be made on how to transfer theory into practice through preparation of activities and materials appropriate for the elementary classroom and critical reflection on those very materials and approaches. Students will plan instruction considering student-based diversity, instructional designs of the field and the best integration of other tools and disciplines. Teaching candidates will be required to prepare these instructional elements focused on the Virginia Standards of Learning.
Offered: Online
EDUC 637 Teaching Social Studies in the Middle School  3 Credit Hour(s)
An analysis of trends and practices of teaching social studies in the middle school, and its contextual relationship to elementary and secondary instruction in social science. An emphasis will be made on how to transfer theory into practice through preparation of activities and materials appropriate for the elementary classroom and critical reflection on those very material and approaches. Students will plan instruction considering student-based diversity, instructional demands of the field and the best integration of other tools and disciplines.
Offered: Online

EDUC 638 Leadership in Educational Technology  3 Credit Hour(s)
This course will examine the roles of leadership in community, leadership in administration and leadership in the schools from a Christian worldview. This course will provide educators with both the theoretical and the practical considerations for planning and implementing technology, particularly computer applications, in schools. Basic concepts of technology and planning that use systems theory are presented. Emphasis is placed on the importance of the total application of technology as opposed to any individual component, be it hardware, software, facilities, personnel, or finances. This course will form a foundation from which educators will provide leadership and become agents for realizing the powerful potential of technology in their schools.
Offered: Online

EDUC 639 Trends and Issues in Educational Technology  3 Credit Hour(s)
Trends and Issues examines current trends in the research area of educational technology, having students engage literature to understand theoretical underpinnings of the field, current research projects in effect, and future trends as technology in learning evolves as a practice and as a research interest. The course uses foundational concepts of learning in the fields of psychology, sociology and educational research to understand critical implications of the current body of literature.
Offered: Online

EDUC 640 School Administration  3 Credit Hour(s)
Online Prerequisite: Background Check Clearance with a score of 5 or Background Clear International with a score of 5 or Background Clear Out of State with a score of 5 or Background Clear Virginia with a score of 5
An examination of the administration roles in the design, implementation and improvement of the total educational program in private and public schools. Specific areas of study include curriculum and instruction, pupil and staff personnel, student activities, school organization and management.
Offered: Online

EDUC 641 Supervision of Instruction  3 Credit Hour(s)
