

CLINICAL LEADERSHIP EXECUTIVE CERTIFICATE

Purpose

The Executive Certificate in Clinical Leadership is designed to prepare nurses for professional practice roles with a commitment to Christian ethical standards to transform healthcare through leadership and practice.

Program Learning Outcomes

The student will be able to:

- Integrate nursing science, theory, research, and scholarship into advanced nursing practice
- Utilize information systems and technology to support decision-making and improve outcomes
- Extend knowledge of clinical prevention, population health, and policy through application of evidence and collaboration with stakeholders and professionals

Admission Requirements

Please refer to the Admissions Requirements Matrix for Certificates in the Graduate Admissions section of this Catalog.
