

# CURRICULUM SCHEDULE

---

Students are subject to the curriculum and degree completion plan established for the academic year in which they matriculate. In recognition of approved changes to the curriculum, these pages outline the degree requirements for students as indicated by the academic year within which they began coursework at LUCOM. Any student who is unable to academically progress alongside their original cohort may be subject to alternate schedules and degree requirements.

## 2024-2025 Program

- Osteopathic Medicine (D.O.)

## Curriculum Schedule Per Academic Year

- Academic Year 2019 and 2020
- Academic Year 2021
- Academic Year 2022 and 2023
