Semester Credit System

The University operates on the semester system. The unit for counting credit is the semester hour. A semester hour of credit consists of the equivalent of one 50-minute period of class work for 15 weeks, with an assumption of two hours of outside preparation or two 50-minute periods of laboratory work for each semester hour. Online courses are equivalent to the number of classroom contact hours (750 minutes per credit hour) expected in a synchronous residential course.

Full-Time vs. Part-Time

- Full-Time equals a minimum of 12 credit hours per semester.
- Half-Time equals 6 to 11 credit hours per semester.
- Less-than-Half-Time equals 1 to 5 credit hours per semester.

Semester Load and Overload

To ensure students are successful in their academic endeavors, the University has placed a limit on the maximum number of semester hours students are able to take.

Graduate, post-graduate, and doctoral students

- Master's-level graduate students are considered to be full-time when enrolled in nine or more hours per semester. Post-graduate and doctoral students are considered full-time with a semester load of six or more semester hours.
- Graduate, post-graduate, and doctoral students have a maximum semester limit of 15 hours.
- Graduate, post-graduate, and doctoral students must have a Liberty University cumulative GPA of 3.5 or above to be eligible for overload up to 18 hours and above a 3.5 to be eligible for overload up to 21 hours.

Undergraduate students

- Undergraduate students are considered to be full-time with a semester load of 12 or more semester hours.
- Undergraduate students have a maximum semester limit of 18 hours.
- Undergraduate students must have a Liberty University cumulative GPA of 3.0 or above to be eligible for overload up to 21 credit hours, and a GPA of 3.5 or above to be eligible for overload up to 24 credit hours.

All students

Students must seek permission to take more than the maximum hours in a semester and will be required to pay additional tuition for each credit hour they take over the maximum semester limit. Students may review potential overload charges by accessing this chart in the Academic Catalog or by contacting Student Financial Services to confirm the exact charges.

Certain degree programs may require a higher Liberty University cumulative GPA for approval.

Due to financial aid regulations, if students use their semester overload to take courses outside their degree completion plan requirements, they should be advised that this could cause issues with their financial aid. Students can check to see whether the course is required for their degree

by reviewing the Degree Completion Plan Audit or by contacting their Academic Evaluator to confirm.

Students who want to request overload must secure permission from the Registrar's Office and may seek this approval by submitting a request at www.liberty.edu/overload.

Enrollment Verification

A student is enrolled when he/she is registered for a course and has attended the course and/or completed academic work for the course after its start date. For enrollment verification purposes, the University policy can be viewed in the Liberty University Policy Directory.

Certificate Enrolled Students

Certificate students are required to abide by some of the same policies as Undergraduate degree-seeking students. These policies include: academic standing, change of major, course registration, class attendance, drop and withdrawal processes, Repeat Policy, broken enrollment, academic and personal codes of honor, incompletes, recording of grades and the grade appeal process, FERPA, and Academic Transcript processes. Those policies that do not pertain to the certificate-seeking student will be noted in the following sections.

Student Classification

The classification of students at Liberty is based on their degree level and number of earned semester hours.

Classification	Semester Hours Earned
Freshman	0–23.99
Sophomore	24.00–47.99
Junior	48.00–71.99
Senior	72.00—and above

Grades, Quality Points, and Grade Point Average (GPA)

All work is graded by letters, which are assigned quality points as indicated below:

Grade	Meaning	Quality Points Per Semester Hour
A	Excellent	4
AU	Audit	0
B	Good	3
C	Average	2
D	Poor	1
F	Failure	0
FN	Failure for Non-Attendance	0
NF	Failure for Non-Attendance - Pass/Fail Courses	0
I	Incomplete	0
IP	In Progress	0
NP	Did Not Pass	0
P	Pass	0
Q	Academic Amnesty	0

Grade	Meaning	Quality Points Per Semester Hour
R ¹	Course Repeated	0
W	Withdrew	0

¹ "R" is no longer an active option for a grade. Please see the Undergraduate Repeat Policy section for the current policy.

A student's cumulative GPA comprises all coursework completed at the current academic level (Undergraduate, Graduate, Doctoral, etc.) regardless of prior degree conferral, broken enrollment or a program/major change. To determine the grade point average (GPA), the quality points earned are divided by the semester hours attempted (quality hours). Only courses taken at Liberty are used in computing the GPA. Only grades of A, B, C, D, F, and FN are used in the calculation of the GPA. Cumulative GPA is calculated to the hundredths place and is not rounded.

Dean's List

Undergraduate associate- and bachelor-level students who earn 12 or more GPA hours with a term GPA of 3.50 or above are placed on the Dean's List. This does not apply for certificate-level students.

Computer Competency

Students are expected to have adequate experience in computer applications such as word processing, spreadsheets, database, Internet research, media presentations, and email communication. Undergraduate students lacking such experience should register for INFT 110 Computer Concepts and Applications (3 c.h.), in their first semester.

Course Planning

A course planning schedule is provided in order for students to plan their classes for upcoming semesters. The planning schedule presents every class offered and the terms where it is scheduled to be taught. This schedule is sorted alphabetically by class. The course planning schedule is available online at: <https://www.liberty.edu/registrar/course-planning-schedule/>.

Transfer Credit Policy

Note: Transfer credit accepted by the university is denoted on the unofficial and official transcript in a section denoted as *transfer credit accepted by the institution* along with the originating institution and grade of P with no GPA value.

1. **Undergraduate Studies**
 - a. **Accreditation:** Accredited Institution recognized by the U.S. Department of Education.
 - b. **Grades:** Grade of 'C-' or higher. Grades of P/P+ are eligible to transfer as long as the grading system at the transfer institution states that 'P' or 'P+' is equivalent to 'C-' or better. Grades of P/P- are not able to transfer if they are not equivalent to 'C-' or better.
 - c. **Equivalency:** Coursework must be similar in content and scope of courses offered at Liberty University by at least 60%. Courses that are not significantly similar to a Liberty University course may transfer as elective credit. Elective credit is coded as 1XX, 2XX, 3XX or 4XX, depending on the level of the course.
 - d. **Credit Hours:** Coursework must be at least 2/3rds the number of hours required by Liberty. The 2/3 rule may create a shortage of credit hours (all coursework is met, but a total of 60 or 120 hours

is not). Additional credit must be taken to meet the credit hour requirement.

- e. **Conversion:** Liberty University operates on the semester system. Courses completed under a different credit hour system must be converted to the semester system.
- f. **Age of credit:** Liberty offers a lifetime acceptance of credit, with the exception of those courses wherein the University faculty has determined the course content changes significantly over time.
- g. **Non-transferable:** For specific information concerning non-transferable courses, please visit Registrar - Transferring Coursework.
- h. **Residency requirement:** 25% of major and 25% of degree must be taken through Liberty University.

2. Graduate Studies

- a. **Accreditation:** Accredited Institution recognized by the U.S. Department of Education.
- b. **Grades:** Grade of 'B-' or higher except for programs that allow 'C-' or higher. Grades of P/P+ are eligible to transfer as long as the grading system at the transfer institution states that 'P' or 'P+' is equivalent to 'B-' or better. Grades of P/P- are not able to transfer if they are not equivalent to 'B-' or better.
- c. **Equivalency:** Coursework must be similar in content and scope of courses offered at Liberty University by at least 80%. Courses that are not significantly similar to a Liberty University course may transfer as elective credit. Elective credit is coded as 5XX, 6XX, 7XX, 8XX or 9XX, depending on the level of the course.
- d. **Credit Hours:** Coursework must be the exact number of credit hours as the LU requirement.
- e. **Conversion:** Liberty University operates on the semester system. Courses completed under a different credit hour system must be converted to the semester system.
- f. **Age of credit:** 10 years for master's-level and post-master's (Education Specialist and Master of Theology) programs and 7 years for doctoral-level programs. Any exceptions to this policy will be noted in the Transfer Credit Matrix. Age of the course is determined at the time of evaluation based on the completion date of the transfer course.
- g. **Non-transferable:** For specific information regarding non-transferable courses, please visit Registrar - Transferring Coursework.
- h. **Residency requirement:** 50% of program hours may be transferred including credit from an earned degree from Liberty University. Any exceptions to this policy will be noted in the individual degree's **Program of Study** page in this Catalog.

- 3. **Special (Non-Degree-Seeking) Students** – Special students, whether undergraduate or Graduate, are not eligible to receive transfer credit of any type.

Transfer Credit Policy Areas & Procedures

1. Higher Education Institutions

- a. **Domestic Higher Education Institutions:** Domestic higher education institutions are defined as US institutions that provide postsecondary instruction that aims to culminate in the award of a degree, diploma, or certificate of higher studies.
 - i. **Accredited:** Domestic higher education institutions regionally or nationally accredited by an agency officially recognized by the U.S. Department of Education (ED). Refer to Undergraduate and Graduate Studies transfer policies.

- ii. **Unaccredited:** Domestic higher education institutions not regionally or nationally accredited by an agency officially recognized by the U.S. Department of Education (ED). These institutions must go through an internal vetting process before they can be approved for transfer credit. If approved, refer to Undergraduate and Graduate Studies transfer policies.

- b. **International Higher Education Institutions:** International higher education institutions are defined as non-U.S. institutions that provide postsecondary instruction that aims to culminate in the award of a degree, diploma, or certificate of higher studies. College-level academic coursework completed outside of the U.S. must first be evaluated by a credential evaluation service provider that is a member of the National Association of Credential Services (NACES). All standard Undergraduate and Graduate Studies transfer policies will apply to the course-by-course transcript evaluation completed by Transfer Evaluations.

- 2. **Experiential Learning:** Liberty University recognizes that learners have valuable experiences that they bring to the academic environment of higher education. For that reason, LU believes students should receive college credit for learning that can be demonstrated through experience via our Experience Plus Program. Transfer policy standards are applied to Experiential learning evaluations as applicable.

a. Certifications

- i. **Certificate Programs:** academic departments vet curriculum, learning outcomes, and instructor's qualifications for certificate programs and make a recommendation for transfer credit equivalencies in accordance with university's transfer policies.
- ii. **Professional Experience:** academic departments vet professional experience, job skills, and industry-recognized experience and make recommendations for transfer credit equivalencies.

b. Credit by Examination

- i. **Institutional Challenge Examinations (ICE):** ICE is available to students with a satisfactory justification of previous knowledge in a subject area based upon a non-college training program, job experience, or self-learning. Students must successfully complete the examination to earn college credit.
- ii. **Advance Placement (AP):** AP is a College Board program geared for high school students seeking to earn college credit and preparedness. The Transfer Evaluations department generally reviews all AP offerings on a yearly basis and creates a transfer equivalency sheet.
- iii. **College-Level Examination Program (CLEP):** CLEP provides students an opportunity to gain college credit for acquired knowledge and skills through a testing process. The Transfer Evaluations department generally reviews all CLEP offerings on a yearly basis and creates a transfer equivalency sheet.
- iv. **DANTES Subject Standardized Test (DSST):** DSST tests provides students an opportunity to earn college credit for learning acquired outside the traditional classroom. The Transfer Evaluations department generally reviews all DSST offerings on a yearly basis and creates a transfer equivalency sheet.
- v. **Excelsior College Exam (ECE):** ECE is a credit-by-examination program that provides students with the opportunity to have

their college-level learning recognized by earning college credit.

- vi. **International Baccalaureate (IB):** The IB Diploma Programme is a program for students ages 16-19 that assesses students work as direct evidence achievement against the stated goals of the program.
- vii. **NOCTI Business Solutions:** Technical training that can be equated to college credit through NOCTI assessments with collaboration of the National College Credit Recommendation Service (NCCRS).
- viii. **University of Cambridge International Exams (CIE):** Exam-based qualifications, which are created, corrected, administered, and regulated by Cambridge.
- c. **Portfolio:** Students can earn transfer credit for LU courses by demonstrating competency of the course learning objectives they are petitioning credit for. This process is typically geared toward students who have field experience. Students are required to complete a series of essay-type questions and encouraged to provide supplementary documentation that will help them demonstrate competency in the subject. The requests are reviewed by qualified faculty members within the specific academic departments who use a grading rubric to assess student's competencies in the different disciplines.
- d. **Military Experience:** Liberty University provides evaluations of military training and experience for college credit. All credit granted for military training and experience is given based on the American Council on Education (ACE) guidebook, *A Guide to the Evaluation of Educational Experiences in the Armed Services* and qualified faculty members within the specific academic departments at Liberty University. Liberty University accepts military transcripts, certificates of completion, and most official documents that demonstrate prior military training and experience for consideration of transfer credit (including the DD214, 2-1, 2Z, or DD295).
- e. **Other Online-course Providers (non-traditional institutions):** Liberty University recognizes non-traditional or non-institutional credit that students may have completed or are seeking to complete. LU accepts courses from other online-course providers based on the American Council on Education (ACE) guide and the recommendations of qualified faculty members within the specific academic departments at Liberty University.
- f. **Ministry Partnership Program:** Rawlings School of Divinity (SOD) works with ministry partners directly to determine if the experiential and classroom training they provide can be awarded transfer credit through an internal vetting process. Ministry partners are not higher education unaccredited institutions.
 - i. **Initial Vetting:** SOD sets an initial call to discuss the process and follows-up with an application document to understand doctrinal statement, mission, purpose, and philosophy of education of the ministry.
 - ii. **Decision:** SOD decides to move or not to move forward with the partnership. If yes, the decision is communicated to Online Provost, Enrollment Management, and Registrar's Office.
 - iii. **Initial Evaluation:** SOD reviews academic content of the training in question to determine if it aligns with LU course objectives and makes an initial recommendation on transfer equivalencies.
 - iv. **Secondary Evaluation:** Information is sent to Admissions Verification and Registrar's Office for a second review.

Transfer team reviews the proposed transfer equivalencies and provides additional feedback. SOD develops the additional website information and works with Enrollment Management for dissemination of the information.

- v. **Final Decision:** MOU is generated and signed by Liberty University and ministry partner. Approvals are updated on Experience Plus website.

The above procedures for the evaluation of transfer credit are established in collaboration with faculty who provide academic oversight to ensure alignment with curriculum standards, institutional goals, and accreditation requirements. Faculty responsibilities include participating in legislative processes for determining course transferability, reviewing submissions through the Transfer Suite, and evaluating experiential learning offerings. This collaboration maintains consistency, academic integrity, and compliance with regulatory expectations.

Credit for Seminars

As part of the "action-oriented" curriculum at Liberty, certain seminars and travel opportunities are offered for academic credit. Students who wish to obtain credit for such activities must receive prior approval from the Registrar.

Outgoing Transfer Credit

Transferability of credit earned through Liberty University is at the discretion of the receiving institution.

Coursework at Other Institutions While Enrolled at Liberty

Prior to registering for any course at another institution, students must submit a Future Course Request to guarantee transferability. The online form can be found here.

Change of Certificate

Liberty University Online students select their certificate of study when they apply. If a student decides to change the certificate he/she is seeking, the online student must contact the Academic Advising Department and request to change his/her certificate of study via phone or Liberty University webmail account. All requests for a change of certificate will be effective the following full term of enrollment.

Change of Major

Students who wish to change their major may do so by submitting a request via the Change of Major/Minor webpage. All requests for a change of major will be effective the following full term of enrollment.

Changes to the major or minor will not be permitted once the student is in final courses for the current semester and the Degree Completion Application is on file. The Registrar's Office will process the conferral of a degree once all degree requirements have been met, including the minimum GPA requirement and Degree Completion Application. Additionally, any student seeking a double major, multiple cognates, or a dual degree is required to complete all requirements for both majors/degrees and all cognates before their degree will be conferred.

Double Majors

Students pursuing an associate's or bachelor's degree who wish to complete a double major or a dual degree must obtain approval to do so by submitting a request via the Change of Major/Minor webpage.

Students seeking a double major or a dual degree are required to complete all requirements for both majors/degrees before their degree will be conferred.

Students pursuing a certificate may not pursue more than one certificate at a time.

Students who wish to complete a bachelor's degree with (1) a single core major and two or more cognates (e.g., a BS in Criminal Justice with cognates in Homeland Security and Juvenile Justice), (2) a double major (e.g., BS and BS) or (3) a dual degree (e.g., BFA and BS) must have at least 30 unique hours within the major of the first or second degree.

Students who wish to complete an associate's degree with (1) a double major (e.g., AA and AA) or (2) a dual degree (e.g., AA and AS) must have at least 15 unique hours within the major of the first or second degree.

The General Education/Core Competency Requirements may be shared if they are the same. However, if any requirements are different, the student must fulfill the higher of the two requirements.

The requirements from one major may be used as electives for the second major, and vice versa. At least 25% of the course work in each major must be earned at Liberty University, unless otherwise noted on the Degree Completion Plan.

Requests to add or remove a second major or dual degree will be processed by the Registrar's Office upon receipt and will be effective the following full term of enrollment. However, changes to a secondary major/degree will not be permitted once the student is in final courses for the current semester and the Degree Completion Application is on file.

Note: Students who are pursuing a dual undergraduate/graduate degree (e.g., BS/MPH) must pursue only the dual degree and are unable to request a double major.

Returning to Liberty University for a Second Degree

Students with an associate's degree who wish to pursue a second associate's degree must successfully complete at least 15 additional hours through Liberty University, and there must be at least 15 unique hours within the major of the first or second degree. Note: The 15 additional hours may also count toward the unique hours.

Students with a bachelor's degree who wish to pursue an associate's degree must successfully complete at least 15 additional hours through Liberty University, and there must be at least 15 unique hours within the major of the first or second degree. Note: The 15 additional hours may also count toward the unique hours.

Students with a bachelor's degree who wish to pursue a second bachelor's degree must successfully complete at least 30 additional hours through Liberty University, and there must be at least 30 unique hours within the major of the first or second degree. Note: The 30 additional hours may also count toward the unique hours.

Duplicate Credit

In the event that a student earns credit for the same course more than one time, whether at Liberty, at another college, or through standardized testing, that course/credit may only count one time toward the completion of his/her degree.

Certificate to Another Certificate or Degree-Seeking Program

Online certificate students who would like to either earn another certificate after completing one certificate or move on to a degree-seeking program upon completion of the certificate must contact Liberty University Online Admissions to apply for readmission to another certificate or degree-seeking program. All courses taken within the undergraduate certificate will transfer directly into the new undergraduate certificate or degree program, only if applicable. Students must have at least one outstanding course requirement for the new certificate in order to gain acceptance into that program. Completion of that requirement and all other certificate requirements must be successfully met before the new certificate is awarded.

If a student chooses not to finish the undergraduate certificate and switch to a degree-seeking program, a new application must be submitted and accepted in order to proceed to a degree-seeking program. Upon acceptance to the new program, the previously earned courses will only apply to that new program if the courses meet the grade and GPA requirements necessary for that certificate or degree program.

Certificate Completion Plan (CCP) Audit

The Certificate Completion Plan (CCP) Audit under Course Registration provides real-time advice and counsel, making it possible for students to track progress towards certificate completion at their convenience. It also enables students to immediately view how their credits will apply towards a different program. PDF versions of all CCPs are available online.

Degree Completion Plan (DCP) Audit

The Degree Completion Plan (DCP) Audit under Course Registration provides real-time advice and counsel, making it possible for students to track progress towards degree completion at their convenience. It also enables students to immediately view how their credits will apply towards a different program. Degree completion plans outlining the program of study and other requirements for each degree program are available online at <http://www.liberty.edu/dcps>.

Course Sequencing

Suggested course sequences for all degree programs are available through the respective catalog pages associated with each program.

Military Degree Plans

Liberty University offers academic benefits on the Degree Completion Plan to undergraduate military students, including current service members, veterans with honorary/general discharge, and military spouses of service members or veterans **as defined by Liberty University**. The academic benefits offered include:

- Up to 75% of degree requirements may be accepted as transfer credit
- A minimum of one course in the major is required to be taken at Liberty University
- No final year or final semester residency requirement

Students must verify their military status by submitting acceptable military documentation to the Office of Military Affairs to confirm eligibility for these benefits. Once approved, the degree requirements will be updated automatically on the Degree Completion Plan. Students may view their Degree Completion Plan Audit via Course Registration.

Students using military Tuition Assistance (TA) may be required to submit an official signed degree plan to their Education Office to confirm course eligibility for TA funds. Students may request an official signed degree plan by emailing mildcp@liberty.edu. All official transcripts must be submitted and the student must be officially accepted to his/her degree program before this signed degree plan can be issued.

General Education Requirements for Out-of-State Students

In addition to Liberty University's general education requirements, distance education students may also be required to fulfill additional requirements set by their home states. Specific Degree Completion Plans for each state whose requirements differ are available from Liberty University Online Advising. This does not apply for certificate seeking students.

Important Information Regarding Internships and Clinical Placements

Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that their host facility may require a criminal background check, finger printing, or drug screening. In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

Minors

Students at Liberty University are not required to complete a minor. Those who wish to declare a minor, however, are encouraged to meet with their professional advisor to review the requirements for that minor. A minor on the student's transcript indicates the completion of a block of courses that academic departments have specified as meeting the requirements of their minor.

Consequently, since the selection of a minor is not a graduation requirement for any major at Liberty, students may use courses required for any given major to also count toward a minor if such courses are required for the minor. Students must earn a "C" or higher in all upper level courses in their chosen minor. At least 25% of the course work must be earned at Liberty University. Minors are not applicable for associate level or certificate seeking students.

Requests to add or remove a minor will be processed by the Registrar's Office upon receipt, and will be effective the following full term of enrollment. However, changes to the minor will not be permitted once the student is in final courses for the current semester and the Degree Completion Application is on file.

Special Student Registration

1. Prospective students who do not want to be degree-seeking, or only want to take a few courses at Liberty, must apply as a Special Student and receive confirmation of acceptance.
2. Special Students may not accumulate more than 12 credit hours under this status.
3. Special students will follow the same registration rules and procedures as degree-seeking students.
4. Students who have been Academically Dismissed are not eligible to return to Liberty under the Special Student category.

Online Course Registration, Activation, and Completion Dates

Online students may register for courses online via the Course Registration Tool at the following link: <https://www.liberty.edu/registrar/course-registration/>. A student's enrollment period (course activation) begins the first day of the sub-term, provided the student is in good academic standing and has paid the tuition or secured financial aid approval. Students are encouraged to allow sufficient time to review their course materials before the beginning of the sub-term. See the University calendar for sub-term dates.

The full policy statement and procedures are published in the Liberty University Policy Directory.

Online Class Attendance

Regular attendance in online courses is expected throughout the length of the term. Students who do not attend within the first week of a sub-term by submitting an assignment that can receive a grade (such as the Course Requirements Checklist, an examination, written paper or project, or other academic activity) will be dropped from the course. Students who wish to re-engage in the course are encouraged to contact Academic Advising to discuss their enrollment options.

The student alone assumes responsibility for course work missed from non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed. Military students who have received advanced notification orders are required to provide documentation for their military-related absence two weeks prior to the absence when feasible; however, students should turn-in documentation as soon as the orders are received. Whenever possible, students are required to be proactive by turning in pre-assigned coursework before their military-related absence begins. In the event of a short notice military obligation (e.g. State Active Duty, emergency mobilization, rescheduled training assembly, etc.), students must notify faculty members as soon as possible. Faculty are encouraged to provide students with alternative deadlines if military obligations predicate the need for short-term absences in online courses. Students are subject to unofficial withdrawals for extended absences.

Class Cancellation Policy

From time to time, it may be necessary to cancel a class because of insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is ultimately that of the Provost of the University. The full policy and procedures are published in the Liberty University Policy Directory.

Late Assignment Policy for Online Courses

Course assignments, including discussion boards, exams, and other graded assignments, should be submitted on time.

If the student is unable to complete an assignment on time, he/she must contact the instructor immediately by email.

Assignments that are submitted after the due date without prior approval from the instructor will receive the following deductions:

1. Late assignments submitted within one week of the due date will receive up to a 10% deduction.
2. Assignments submitted more than one week and less than two weeks late will receive up to a 20% deduction.
3. Assignments submitted two weeks late or more or after the final date of the class will not be accepted outside of special circumstances (e.g., death in the family, significant personal health issues), which will be reviewed on a case-by-case basis by the instructor.
4. Group projects, including group discussion board threads and/or replies, and assignments will not be accepted after the due date outside of special circumstances (e.g., death in the family, significant personal health issues) will be reviewed on a case-by-case basis by the instructor.

Independent Study / Directed Research

A request for an independent study or directed research course will need to be initiated in the Independent Study and Directed Research Form prior to the semester or sub-term the student will be taking the course. Once the form is submitted it will be sent to the department chair, followed by the dean, and lastly the Office of the Provost for approval. If all three parties approve, the request will be sent to the Registrar's office to create the approved course and proceed with registration, provided there are no holds or errors that prevent it. Once the course is registered, all standard registration policies will apply.

Students are responsible to verify their registrations are degree-required. If all degree requirements have been met, the student's degree will be conferred.

Students should contact the academic department that oversees their degree program to determine whether completing a course via an independent study or directed research would be the best option for them.

More information can be found at the following link: <https://www.liberty.edu/registrar/independent-study-directed-research-courses/>.

Course Audits

Students who wish to audit an online course may do so for a fee (see Expenses and Financial Policy section). Audit fees are not covered in block-rate tuition, and audited courses will not be used to determine full- or part-time status. Auditors will not be expected to take quizzes or

examinations. A grade of AU will be recorded on the auditor's permanent record.

Audited courses will not count toward graduation requirements.

Resident Students

Course audits may not be added via the Course Registration Tool, but must be requested in person at the Registrar's Office. Requests to audit a residential course will only be accepted during add/drop week (or the week before the start of a summer term for summer courses). Audit requests for residential courses will be processed and added on the last day of the add/drop period, pending seat availability. A student wishing to change from credit to audit status for a course may only do so until the last day of the add/drop period. Requests to change to or from audit status after the add/drop period will be denied. Lecture-only courses may be audited. Courses considered lecture/lab, labs, private instruction, etc. may not be audited.

Online Students

Course audits may not be added via the Course Registration Tool, but must be requested by emailing the Registrar's Office at registrar@liberty.edu. Requests to audit an online course will only be accepted during the registration timeframes before a term starts. Audit requests for online courses will be processed and added, pending availability. A student wishing to change from credit to audit status for a course may only do so until the last day of the registration deadline. Requests to change to or from audit status after the registration deadline will be denied. Courses considered lecture/lab, labs, private instruction, etc. may not be audited.

Course Substitutions

A Course Substitution request may be made when a student wishes to substitute one course for another required course when a clear relationship exists between the two. This request may also be used when an academic department approves a complete replacement for a Liberty course requirement. Students requesting these exceptions must submit a "Course Substitution Request" through the Transfer Suite portal for review. Approval of the course substitution is under the oversight of the Registrar's Office and the academic department presiding over the required course. Please note that an approved substitution will apply toward the degree requirement(s), but will not change the course number on the student's transcript. Changing programs or breaking enrollment may invalidate the request.

Dropping/Adding Courses

Online students may drop a course for a full refund, any time prior to the sub-term start date. The full policy statement and procedures are published in the Liberty University Policy Directory.

Definition of Attendance

In an effort to comply with U.S. Department of Education policies, attendance is measured by any submission of a graded assignment within the enrollment dates of the course (such as examinations, written papers or projects, etc.) or initiating any communication with one's professor regarding a question related to the academic subject studied in the course. Below are examples of academic activity:

- Physically attending a class where there is an opportunity for direct interaction between the instructor and students.

- Submitting a graded academic assignment (in Learning Management System or disparate system).
- Taking an exam.
- Taking a required interactive tutorial or computer-assisted instruction.
- Attending a study group that is assigned by the school.
- Initiating contact with a faculty member to ask a question about the academic subject studied in the course.

Beginning on the first day of the sub-term through the last day of the sub-term, students who have begun attending a course may withdraw with a grade of “W” and receive a pro-rated tuition credit based on the date of the withdrawal and attendance in the course.

Remember: Any change in status (e.g., from full-time to part-time, etc.) may cause the reduction or cancellation of your financial aid award. In other words, your out-of-pocket expenses may increase.

Withdrawal from Liberty

Liberty University Online Withdrawal

Online students withdrawing from the University must contact the Liberty University Online Academic Advising Department via the student’s Liberty University webmail account or by phone to start the process. The full policy statement and procedures are published in the Liberty University Policy Directory.

Online Program Unofficial Withdrawals

In accordance with Title IV regulations which require that universities have a mechanism in place for determining whether or not a student who began a course and received or could have received a disbursement of Title IV funds unofficially withdrew, the University has established a procedure for students enrolled in courses. This procedure is used to determine if students are progressing toward the completion of their courses. The full policy statement and procedures are published in the Liberty University Policy Directory.

Unofficial Withdrawal for Non-Attendance Appeal Process

Students who receive a grade of “FN” may appeal to their professor to have the grade removed to resume work in the course. All professors have the right to approve or deny FN appeals at their own discretion. The full policy statement and procedures are published in the Liberty University Policy Directory.

Illinois Residents

Withdrawals for students with Illinois residency status suffering documented significant financial or physical hardship will be processed in accordance with the standard withdrawal refund schedule outlined in the academic catalog under the respective “Expenses & Financial Policy” sections. LU Student Accounts will waive the \$50 withdrawal fee for all physical/financial withdrawal students with an Illinois address to the extent required by applicable law. Students dissatisfied with the result of the University’s decision regarding withdrawals may submit an appeal, accompanied by supporting physical or financial hardship documentation or information to the University Ombudsman (residential students) or the Liberty University Online Student Advocate Office (online students) via the student complaint form (Beacon).

Undergraduate Repeat Policy

The *Liberty University Undergraduate Repeat Policy* is designed to assist undergraduate students in raising their cumulative grade point average by repeating courses in which they previously performed unsatisfactorily and by removing the previous grade from the GPA calculation. The Undergraduate Repeat Policy is applied for degree-seeking, special (aka non-degree-seeking), and certificate-seeking students.

Undergraduate students are subject to the following conditions:

1. When an undergraduate course is successfully repeated¹, the Undergraduate Repeat Policy will automatically be applied, all earned grades will remain visible on the student’s permanent record, and the highest grade earned will be the only grade to count toward the student’s GPA. The Registrar’s Office will automatically apply the Undergraduate Repeat Policy at the end of each semester², including the summer semester, to all eligible courses.
2. On the student’s transcript, the letter “E” will follow the lower grade(s) to indicate that the grade has been “excluded” from the GPA. The letter “I” will follow the higher grade to indicate that the grade has been “included” in the student’s GPA. The grades which have been excluded from the GPA calculation will not count toward GPA hours or hours earned, but will remain on the student’s record as attempted hours. Consultation by the student with the Financial Aid office may be needed to determine how the Repeat Policy will affect the student’s Satisfactory Academic Progress.
3. There is no limit on the number of different courses or retakes in which the Undergraduate Repeat Policy may be applied. However, there may be a limited number of times that Federal Financial Aid will pay for a course taken and passed (grade of “D” or higher). It would be wise to consult with a Financial Aid counselor if there are any questions about this.
4. The Undergraduate Repeat Policy will only be used on Liberty University courses that have been repeated at Liberty University. No transfer credit or credit earned through institutional or standardized testing may be used in the Undergraduate Repeat Policy.
5. The Undergraduate Repeat Policy will only be applied when the same course number/title is retaken, unless there has been a university approved course number/title change and the department confirms that the courses are the same. Course replacements/substitutions are not eligible for the Undergraduate Repeat Policy.
6. Undergraduate courses in which a grade of B, C, D, F, FN, P, NP was awarded are *eligible* for the Undergraduate Repeat Policy. Courses which are *not eligible* for the Undergraduate Repeat Policy are: zero-credit courses, CSERs, and courses with grades of AU (audit), I, M, Q, R, W, WF, X, and Z, or those courses failed due to academic dishonesty. Also, courses that are designed as repeatable courses within certain majors will not have the Undergraduate Repeat Policy applied automatically.
7. Activation of the Undergraduate Repeat Policy for a prior semester will not affect the academic standing or dean’s list award for that semester. Academic standing or dean’s list in a prior semester can only be changed as a result of an approved grade change.
8. Once a student has a conferred degree, the Undergraduate Repeat Policy may not be used on a course taken prior to degree conferral to improve the cumulative GPA which was recorded at the time of degree conferral. The repeat of a course after degree conferral could, however, be used to improve the student’s overall Undergraduate GPA at Liberty.

Break in Enrollment

A break in enrollment occurs when a student has not actively taken a class within one full academic year. The academic year begins with start of the fall semester and ends with the conclusion of the summer term.

Students who break enrollment must apply for readmission and will be required to follow the degree requirements in effect at the time of re-entry to the University.

Any military students wishing to be readmitted who broke enrollment due to deployment must contact the Office of Military Affairs.

Academic Standing

Warning/Probation/Suspension/Dismissal

Students must maintain satisfactory academic standing in order to remain at Liberty. Satisfactory academic standing for students enrolled in an undergraduate programs is:

Level	Minimum GPA
1 (0–23.99 hours)	1.50
2 (24–47.99 hours)	1.65
3 (48–71.99 hours)	1.85
4 (72 or more hours)	2.00

Academic Standing is calculated at the end of each Fall and Spring term, or upon completion of all courses within those terms, and is based on the student's cumulative GPA. At the discretion of the Registrar's Office, a student may have his/her standing updated to good standing after completion of all courses in the Summer term. When academic standing is updated, students on Academic Warning, Probation, Suspension, and Dismissal will be sent a notification by the Registrar's Office.

Any University organization that has students who represent Liberty University in activities that involve student traveling (exclusive of one-time missions exposure trips) must first provide a list of students on the team to the Registrar to verify if the students are in good academic standing. Students who are not in good academic standing are prohibited from traveling.

Academic Warning

Resident students failing to attain and maintain the minimum GPA required are placed on **Academic Warning**. During the next term, these students are limited to a 12-14-semester-hour course load, are required to take ASCS 101 Theory for Academic Success (1 c.h.) or ASCS 105 Accountability for Academic Success (1 c.h.), and may not represent the University on any team without approval from the appropriate committee. A student may not drop or withdraw from the ASCS course without permission from the Academic Success Center.

Online students failing to attain and maintain the minimum GPA required are placed on **Academic Warning**. During the next term, these students should plan to limit enrollment to a 13-semester-hour course load and may be required to take ASCS 101 Theory for Academic Success (1 c.h.).

Academic Probation

At the end of the term on Academic Warning, students who fail to raise their cumulative GPA to the required academic level (see above) are placed on **Academic Probation**.

Additionally, students who are enrolled full-time and fail all courses will be placed on **Academic Probation**, unless they were previously on Academic Probation or Academic Suspension. Students who are enrolled full-time and fail all courses while on Academic Probation or Suspension will progress to the next academic standing level.

Resident students on Academic Probation are required to sign an academic plan from CASAS indicating the grades necessary to remove Probation status. During the next term of attendance, undergraduate students are limited to a 12-14-semester-hour course load, are required to take ASCS 101 Theory for Academic Success (1 c.h.) or ASCS 105 Accountability for Academic Success (1 c.h.), and may not represent the University on any team without approval from the appropriate committee. A student may not drop or withdraw from the ASCS course without permission from the Academic Success Center.

Online students on **Academic Probation** should plan to limit enrollment to a 13-semester-hour course load during the next term of attendance and may be required to take ASCS 101 Theory for Academic Success (1 c.h.).

Academic Suspension

At the end of the term on Academic Probation, students who fail to raise their cumulative GPA to the required academic level (see above) are placed on **Academic Suspension**. Students who desire to return to Liberty in the future must appeal to the Registrar's Office in writing through the designated portal. Students should not expect automatic readmission after serving a period of Suspension.

For **Resident** students whose appeals to return are approved, the Registrar's Office/CASAS will determine a plan that will prepare the students for a successful re-entry to Liberty. These students are required to sign an academic plan indicating the grades necessary to remove the Academic Suspension status. During the next term of attendance, these students are limited to a 12-14-semester-hour course load, are required to take ASCS 101 Theory for Academic Success (1 c.h.) or ASCS 105 Accountability for Academic Success (1 c.h.) and may not represent the University on any team without approval from the appropriate committee. A student may not drop or withdraw from the ASCS course without permission from the Academic Success Center.

For **Online** students whose appeals to return are approved, the Registrar's Office will review the appeal, and if it is approved, an Academic Contract will be formulated. The student must agree in writing to abide by the terms of the contract before being permitted to register for courses. If a student is a re-applicant to Liberty University Online, the student must agree in writing to abide by the terms of the contract prior to being approved for re-admission.

If any **Resident** or **Online** student is denied to return under a contract, he/she will not be permitted to submit a new appeal until he/she has been away from Liberty for a minimum of two academic years.

Academic Dismissal

Students who are readmitted to Liberty after serving a period of suspension and who fail to raise their cumulative GPA to the required academic level (see above) by the end of the term will be **Academically**

Dismissed and will not be allowed to appeal to return to Liberty until a period of at least two academic years has passed.

Students utilizing VA education benefits who are placed on academic suspension will have their VA education benefits terminated effective immediately.

If a student successfully appeals their academic suspension and is allowed to continue enrollment, their VA education benefits may continue in accordance with the terms of their approved academic plan.

Students who do not appeal, or whose appeals are denied, must regain good academic standing before their VA education benefits can be reinstated. Certification of benefits may resume once the student meets the institution's academic eligibility requirements.

Academic Amnesty

Approval for readmission under Academic Amnesty must be granted by the Office of the Provost. In order to qualify for Academic Amnesty, a student must have been academically suspended or academically dismissed from the University, as well as must satisfy the subsequent guidelines for readmission.

1. Not enrolled at the University for a period of two (2) years. For example, if the student's last enrollment was in the Fall 2023 term, he/she would not be eligible to appeal for Academic Amnesty until **after** the Fall 2025 term.
2. A student seeking readmission under Academic Amnesty must first appeal in writing to the Registrar's Office through the designated portal. The request must be stated clearly and contain:
 - a. the reason for the request, and
 - b. efforts made to improve during absence from Liberty.
3. Corroboration may be requested of the student (e.g., transcripts from other institutions, certificates, awards, etc.).
4. Students who were Academically Dismissed because of academic dishonesty are not eligible for Academic Amnesty.

The Registrar's Office, upon receiving the written request, must receive approval from Community Life, Student Financial Services, and the Office of the Provost before readmission will be granted.

If approved for Academic Amnesty, the student will be readmitted under the following provisions:

1. Previously earned grades of "A," "B," and "C" will remain on the student's record and will calculate into his or her GPA. As determined by the Office of the Provost, grades of "D" and "F" are revised to "Q."
2. Students who have been granted Academic Amnesty are not eligible for graduation honors.
3. If any prior certificate or degree has been awarded through Liberty University, grades earned during that time period cannot be excluded when Academic Amnesty is applied. All grades earned toward a previously awarded certificate or conferred degree will remain on the student's transcript.
4. All previously assigned academic standings will not change and will remain part of the student's academic records for the respective terms for which they were earned.
5. If, after the first term of enrollment following readmission under Academic Amnesty, the student's cumulative GPA falls below the minimum required for good academic standing in the student's

degree program, the student will be Academically Dismissed, and will not be permitted to submit any further appeals for permission to continue his/her studies through Liberty University.

The Liberty Way | Student Honor Code

Liberty University's student honor code, known as The Liberty Way, is a set of guidelines governing academic and personal conduct, reflecting the institution's commitment to Christian values. It encompasses expectations for academic performance and community standards aligned with biblical principles. The code outlines disciplinary actions for violations, ranging from warnings to expulsion. The university provides appeal processes, allowing students to seek reconsideration of disciplinary actions. For the latest and most detailed information, please refer to the official Liberty University website.

Incompletes

Students who are unable to complete coursework by the last day of class due to unavoidable circumstances such as personal illness/injury or family emergencies may appeal to their instructor for a temporary course grade of "I" (Incomplete). The authority for the decision to grant an incomplete completely lies with the instructor. Denial of the request for an incomplete may include, but is not limited to, the student's inability to earn a passing grade with completion of the remaining requirements, as well as an insufficient reason for the request. Students must initiate the request for an incomplete directly to the instructor by the last day of class (before the final exam period for residential classes).

The instructor will establish a new deadline for the completion of the remaining coursework, based on the circumstances. The instructor may grant up to two weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for non-medical circumstances and up to four weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for personal medical circumstances.

For extreme personal medical circumstances, a maximum of eight weeks for Liberty University Online courses and 16 weeks for residential courses may be given as long as sufficient medical documentation (from a medical professional) is presented along with the request. However, while the decision to grant an extended incomplete remains with the instructor, the request and medical documentation needs to be submitted to the Registrar's Office. The instructor will be responsible to communicate the remaining requirements, as well as the extended deadline, to the student.

The instructor will post a final grade within two weeks from the deadline established for the incomplete. If a final grade is not posted within two weeks of the deadline, a grade of "F" will be posted by the Registrar's Office. A grade of "I" can be changed to a withdrawal as long as the withdrawal is requested by the student within official course dates.

The GPA is unaffected by the incomplete until a final grade is posted after the deadline. However, grades of "I" will count as hours attempted and not completed and will negatively affect a student's Satisfactory Academic Progress.

Note: For undergraduate students in the School of Aeronautics, Incompletes for Online flight courses are subject to the Incomplete Policy outlined in the most current revision of the Flight Training Affiliate Student Handbook.

Military Incompletes

Military service members are eligible for a military incomplete, for coursework that they are unable to complete on time, due to

deployments, extended cruises, unit operational tempo, or other duty-related extenuating circumstances. To obtain an incomplete, a military student must send either a current copy of official military orders (as proof of professional conflict during enrollment in the course) or a signed letter on official letterhead from the student's commander or supervisor. Incomplete requests and supporting documents should be emailed to the professor. Please Note: Incompletes must be secured no later than 2 weeks prior to the course end date.

Extensions may be requested from the professor and students may be granted up to 4 weeks in extreme circumstances but should typically remain in a 2-3 week time-frame to stay within compliance for grade reporting policies with the Department of Defense. Students can request a military withdrawal only up to the original end date of the course. Once the original end date of the course has passed, students will not be able to request a withdrawal for any reason. Professors should use discernment when reviewing military documentation to avoid awarding an incomplete to a student who will not feasibly be able to complete the course. Military students should notify their military education office of a course incomplete if they are using Tuition Assistance.

The Office of Military Affairs is available to help professors review military orders, as needed, phone: (434) 592-5990, fax: (434) 455-1287, email: lumilitary@liberty.edu.

Military Deployment

Liberty University understands the demands placed on today's service member and we are willing to work with our students when their military duty causes delays in their academic progress. According to military policy for Tuition Assistance, the University must post grades within 30-days of the end date of the course. If a military student needs additional time to complete their course requirements due to deployments, extended cruises, unit operational tempo, or other duty-related extenuating circumstances, they have two options:

1. They may contact their professor and request up to an additional 3 weeks to complete the requirements.
2. Should they need more time, they can request a military withdrawal.

Military students who have received advanced notification orders are required to provide documentation for their military-related absence two weeks prior to the absence when feasible; however, students should turn-in documentation as soon as the orders are received. Whenever possible, students are required to be proactive by turning in pre-assigned coursework before their military-related absence begins. In the event of a short notice military obligation (e.g. State Active Duty, emergency mobilization, rescheduled training assembly, etc.), students must notify faculty members as soon as possible. Faculty are encouraged to provide students with alternative deadlines if military obligations predicate the need for short-term absences in online courses. Students are subject to unofficial withdrawals for extended absences.

Military students must notify their Military Education Office of a course Incomplete if they are receiving Tuition Assistance. Incomplete requests and supporting documents may be faxed to (434) 455-1287 or scanned and emailed to lumilitary@liberty.edu, or mailed to:

Office of Military Affairs

Grading Policies and Procedures

Liberty University Faculty members, both residential and online, must submit final grades for all students to the Registrar at the end of each term. Faculty teaching residential and online courses should have grades submitted to the Registrar one week after the end of each semester.

Liberty University Faculty members, both residential and online, are urged to promptly complete and submit final course grades. Confidentiality of student grades falls under the Family Educational Rights and Privacy Act (FERPA) of 1974. Please see the FERPA section and policies for more information.

Grading Scales

Liberty University incorporates a standardized 1,000-point system across all undergraduate, graduate, and doctoral programs. The undergraduate programs utilize a 100-point scale, and the graduate and doctoral programs utilize an 80-point scale to differentiate between letter grades. The grading scale will be posted within the syllabus for each course.

Students are encouraged to review the syllabus for each course individually to verify the grade scale.

Undergraduate Grading Scale (100-point scale)

Grade	Points
A	900 to 1,000
B	800 to 899
C	700 to 799
D	600 to 699
F	599 and Below

Recording of Grades

All grades will be recorded in the Registrar's Office as reported by the instructors in charge of the various courses. Requests for grade changes may be submitted in writing only by the instructor.

Any extra credit assignments that are a part of the instructor's syllabus must be completed prior to the final exam for the course. A student may not submit assignments for extra credit after the semester has ended and a final exam has been given.

Grade Appeals

Liberty encourages students to have open and respectful communication with their instructors to resolve any concerns regarding individual course assignment grades and/or the final grade for the course.

Criteria for Appeal:

Students may appeal a final grade within 30 days of the end of the class. Only final posted grades may be appealed. Individual assignment grades may not be appealed under this Policy. Questions regarding individual assignment grades should be directed to the instructor.

Appeals are accepted for review only on one or more of the following three ground(s):

- When the final grade assigned does not comport with the published grading rubrics for the course assignments
- When the final grade assigned conflicts with written communication (e.g., email, announcements, etc.)
- When there is a calculation error on an assignment, leading to an incorrect final grade

Appeals, other than those asserted on one or more of the ground(s) above, will not be reviewed. The student must provide written documentation that supports his/her specified ground(s) for appeal. Documentation may be in the form of email correspondence, graded assignments, proof of timely submission, etc. After submitting the appeal, if additional information is needed to process the appeal, the student will be notified via the complaint/appeal portal. If the student does not respond to the request for additional information, the appeal will be denied.

Appeal Process:

A student dissatisfied with his/her final grade should first seek to resolve the situation with the instructor. However, if the student wishes to appeal the final grade under this Policy, the student must follow the process outlined below:

1. Within 30 calendar days of the end of the class, the student may submit a written appeal that will be reviewed by the Program Director/Chair (or designated reviewer). The student should submit his/her appeal through the grade appeal form found on the Beacon complaint/appeal portal (www.liberty.edu/beacon). The student must include the information required above, including the ground(s) for the appeal and documentation supporting the claimed ground(s). The instructor will also be notified of the appeal and will be able to provide pertinent documentation, prior to the Program Director/Chair (or designated reviewer) rendering his/her decision. The Program Director/Chair (or designated reviewer) will have 7 days to review the appeal from the time of submission. When the review is complete, the student will be notified of the decision via his/her Liberty Webmail and the appeal portal.
2. If the student is dissatisfied with the Program Director/Chair's (or designated reviewer's) decision and the student has additional support for his/her appeal, the student may re-appeal (second-level appeal) to the Associate Dean (or designated reviewer) through the appeal portal after receiving the decision of the Program Director/Chair (or designated reviewer). The student's written re-appeal and additional supporting documentation must be submitted within 7 days of the Program Director/Chair's (or designated reviewer's) decision. The Associate Dean (or designated reviewer) will review the student's re-appeal, as well as any information provided by the instructor. The Associate Dean (or designated reviewer) will have 7 days to review the re-appeal from the time of submission. When the review is complete, the student will be notified of the re-appeal decision via his/her Liberty Webmail and the appeal portal.
3. If the student is dissatisfied with second-level appeal decision and has additional support for his/her appeal, the student may re-appeal (third level appeal) to the Dean (or designated reviewer), through the appeal portal after receiving the decision of the Associate Dean (or designated reviewer). This written re-appeal and additional supporting documentation must be submitted within 7 days of the Associate Dean's (or designated reviewer's) decision. The Dean (or designated reviewer) will review the student's re-appeal, as well as any information provided by the instructor. The Dean (or designated reviewer) will have 7 days from the time of submission to review the re-appeal. When the review is complete, the student will be notified of the decision via his/her Liberty Webmail and the appeal portal. The Dean's (or designated reviewer's) decision on a third level appeal is final.

Grade appeals that are submitted using the student complaint form will be converted to the grade appeal form and reviewed according to this Policy.

Appealing an approved decision within the published timeframe may require use of the student complaint form.

The following are **not** able to be appealed through the grade appeal Policy/Process:

- Appeals of grades of FN, NF, W, I, IP, R, Q, P, or A.
- Academic misconduct appeals. For information about how to submit an academic misconduct appeal, see <https://www.liberty.edu/students/community-life/academic-misconduct/>
- Potential Scrivener's Errors (e.g., typographical) identified outside of the 30-day appeal period. For information about reporting a potential Scrivener's Error, see www.liberty.edu/ferpa/

Academic Transcripts

Official transcripts are made only at the request of the student. Official transcripts may be withheld until the student has met all his/her financial obligations to Liberty University. (Students who reside in the following states are excluded from this policy: California, Colorado, Illinois, Maine, New York, and Washington.)

Official transcripts are not released directly to the student. Requests for transcripts are to be made directly to the Registrar's Office. There is a \$10.00 fee for one transcript. Additional transcript requests **made at the same time** are \$1.00 each. Transcript requests may be made at the following link: [Transcript Information | Registrar | Liberty University](#).

Undergraduate Enrollment in Graduate Courses

Undergraduate students may enroll in master's-level courses during the semester in which they have nine or fewer semester hours remaining to complete their bachelor's degrees. Students must meet the cumulative GPA requirement for admission in good standing into a graduate program to be eligible to register for that program.

Students may be enrolled for a maximum of two semesters and nine semester hours of graduate course work.

Non-Liberty University undergraduate students must send in their Graduate admission application, official transcripts, and a letter from their current Registrar's Office indicating their current Grade Point Average, the specific degree they are pursuing, the estimated date of graduation, and the number of remaining credit hours for degree completion. Once these documents have been received by the Office of Graduate Admissions, the student must contact the Liberty University Registrar's Office to request approval for enrollment into graduate courses.

Currently enrolled Liberty University undergraduate students do not need to send in an application; they must submit a request via the Undergraduate Enrollment in Graduate Courses Request Form.

For information concerning how enrollment in undergraduate and graduate courses at the same time impacts tuition rates and financial aid eligibility, visit the following links:

- Student Financial Services > Eligibility & Enrollment for Aid
- Liberty University Policy Directory > Enrollment Levels and Types Policy

Enrollment into graduate courses while an undergraduate student is not available to the following:

- Students already enrolled at the Graduate level and pursuing either a Graduate degree or a Graduate Certificate.
- Students who are pursuing an Associate's degree.
- Students pursuing an undergraduate Certificate.
- Students who plan to pursue a Graduate Certificate rather than a Graduate degree.

High School Dual Enrollment

Dual enrollment allows a high school student to take courses that both count toward high school graduation requirements and result in earned college credit, through a formal agreement between Liberty University and a public or private school or district. A dual enrollment course(s) may take place at the high school under the instruction of a Dual Enrollment Instructor, on Liberty University's campus, through Liberty University Online, or in any combination of the above. Dual enrollment is coordinated and supervised through the Dual Enrollment Coordinator.

FERPA – Privacy of Student Records: Family Educational Rights and Privacy Act

Students attending, or who have attended, Liberty University are given certain rights under the Family Educational Rights and Privacy Act of 1974 as amended (20 U.S.C. 1232g) and Rules of the Department of Education (34 C.F.R. Part 99) implementing this Act.

The complete FERPA/Right of Information Policy may be found here.

Graduation Honors

Honors for graduation will be determined by the cumulative grade point average earned at Liberty. Bachelor's degree students who have earned 60 or more hours at Liberty must meet the following GPA standards to earn the corresponding academic distinction:

GPA	Distinction
3.50 - 3.66	cum laude
3.67 - 3.84	magna cum laude
3.85 - 4.00	summa cum laude

Those who have earned less than 60 hours at Liberty must meet the following GPA standards:

GPA	Distinction
3.60 - 3.76	cum laude
3.77 - 3.94	magna cum laude
3.95 - 4.00	summa cum laude

The specific honor calculated on or around April 1 of the student's graduation year will be printed in the Commencement program, and the student will wear that particular honor cord. The final cumulative GPA will be determined after all grades have been recorded and that final cumulative GPA will determine the specific honor that will be printed

on the diploma and transcript. Cumulative GPA is calculated to the hundredths place, and is not rounded.

Associate degree students who have a 3.50 cumulative GPA will receive honors at Commencement. Graduation honors are not applicable to certificate-seeking students.

Residential students only: To receive the distinction of graduating with honors in the University Honors Program, a student must meet the following requirements, in addition to those mentioned above:

1. Must complete a minimum of 36 hours in honors courses, if the student entered the Honors Program at the beginning of his freshman year. Of these 36 hours, 24 hours are to be taken in the honors sections of General Education courses; 9 have to be taken within the major; and
2. Must enroll in HONR 495 Senior Honors Thesis (3 c.h.) and complete a 25-page senior honors thesis in the student's major field of study.

Residential students graduating in the Honors Program wear a gold medallion during commencement.

Certificate Completion Requirements

All matriculated students, whether Resident or Liberty University Online, must meet the same academic requirements for certificate completion. Certificate-seeking students must have all of the following requirements successfully completed before being considered candidates for the awarding of a certificate.

1. The undergraduate certificate requires a minimum of 18 semester hours. Each program differs; therefore, the student must follow the certificate requirements carefully.
2. Each undergraduate certificate program requires a minimum GPA of 2.00.
3. To satisfy the requirements for the fields of study, only final grades of C or above, in all certificate courses, will apply towards successful certificate completion.
4. Students who return to Liberty to complete a second certificate at the undergraduate level must have at least 3 credit hours remaining and must take a minimum of 3 additional hours of coursework at Liberty to qualify for a second certificate.
5. A minimum of 25% of the semester hours of the certificate coursework must be completed at Liberty.
6. Graduate or Doctoral credit may not be applied to an undergraduate certificate.
7. A Certificate Completion Application must be filled out at the beginning of the final semester before the certificate can be awarded.
8. Changes to the certificate will not be permitted once the student is in final courses for the current semester and the Certificate Completion Application is on file.
9. The Registrar's Office will process the conferral of a certificate once all certificate requirements have been met, including the minimum GPA requirement and certificate completion application. If students wish to take further non-applicable coursework, they must do so under a new application.*

*If previously completed courses (regardless of academic level) may complete requirements for a student's current certificate, they will be applied to the certificate completion requirements where applicable.

Graduation Requirements

Undergraduate students must meet all requirements listed below and must have all courses in the General Education core and in the declared major(s) and minor(s) completed before being considered candidates for graduation.

1. The bachelor's degree requires a minimum of 120 semester credit hours. (Certain degree plans require **more** than 120 credit hours.) Of these total hours, a specified number of upper-level (300-400) courses must be completed with the minimum number being 30 credit hours. Each program differs; therefore, the student must follow the degree requirements carefully. The associate's degree requires a minimum of 60 credit hours. (Certain degree plans require **more** than 60 credit hours.)
2. Each undergraduate degree program consists of designated General Education/Foundational Skills requirements, a major, and, in most cases, free electives. Free electives may be taken from the undergraduate courses offered in any department.
3. A cumulative GPA of 2.00 or higher, unless otherwise specified in a particular major or minor, is required for graduation.
4. To satisfy the requirements for the major and minor fields of study, only grades of C or above in upper-level courses may be included.
