

# FINANCIAL AID INFORMATION & POLICIES

## Matthew Cooper

*Vice President of Student Financial Services*

The Financial Aid Office coordinates and administers the financial aid programs for the University. The Financial Aid Office provides financial assistance to all eligible students. The student and the student's family are primarily responsible for the cost of higher education. A student who needs financial assistance is expected to contribute by working or borrowing a reasonable portion of the funds needed for educational expenses. The student's family, as applicable, is expected to make a maximum effort to assist in the payment of the expenses involved.

Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, scholarships, employment, loans and external aid sources. Grants and scholarships are "gift aid" and do not need to be repaid. Employment offered as a type of financial aid is paid at a pre-determined rate for work actually performed in an approved work study job. Loans must be repaid to the lender based on the terms of the signed master promissory note and agreed repayment plan, typically after the student leaves school. The Financial Aid Office processes several different forms of external aid for both Online and Residential students. The Financial Aid Office does not approve or deny any form of external aid but will process what has already been approved by a donor or funding entity.

In an effort to keep student's interest as top priority, and in accordance with 34 CFR 668.14(22)(i), the Financial Aid Office does "not provide any commission, bonus, or other incentive payment based directly or indirectly upon success in securing enrollments or financial aid to any person or entity engaged in any student recruiting or admission activities or in making decisions regarding the awarding of title IV, HEA program funds, except that this limitation does not apply to the recruitment of foreign students residing in foreign countries who are not eligible to receive title IV, HEA program funds."

### All applicants for financial aid are required to:

1. Apply for admission and be accepted to the University;
2. Be degree candidates. Student auditors, dually enrolled high school students and special non-degree students are not eligible for federal financial aid; and
3. Complete, electronically sign, and submit a Free Application for Federal Student Aid (FAFSA) with the U.S. Department of Education (ED) by the Liberty institutional Fall priority deadline of **January 15th** each year in which federal and institutional financial aid is desired. Every student, and parent as applicable, must have a Federal Student Aid ID (FSA ID) to start and sign the FAFSA. This can be requested here. Students should complete the FAFSA on the web and add Liberty University on the school selection page, so we receive the student's FAFSA record. Liberty's school code is 010392. Applicants should use the I.R.S. Data Retrieval Tool to transfer the requested tax information onto the FAFSA to ensure information on the FAFSA is accurate and to save time when completing the FAFSA. If unavailable, the applicant's I.R.S. Tax Return or Tax Return Transcript can be used to manually input the requested income information. If needed, a copy of the Tax Return Transcript can be obtained by going to the I.R.S.'s webpage and selecting "Get a Tax Transcript" under Tools. Lastly, select "Get Transcript Online", as available.

For new students entering in the Spring semester, the Liberty institutional deadline date to file the FAFSA is by **October 1**.

4. Complete verification or any other aid reviews when required.

Once the completed FAFSA is received by ED, information provided by the student on the FAFSA is used to generate a Student Aid Report (SAR). The SAR indicates the amount of money the student and/or the student's family is expected to contribute towards the student's education. This is called the Expected Family Contribution (EFC) and is used to determine the student's financial need.

The student's financial 'need' is the difference between the Cost of Attendance and the EFC. The Cost of Attendance, **regardless of the student's dependency status**, includes the educational expenses of:

- Tuition;
- Room and board (for students living on and off campus);
- Required fees (i.e. loan fees);
- Books and supplies;
- Transportation; and
- Miscellaneous expenses.

The amounts for these six educational expenses are the student's estimated **Cost of Attendance at Liberty University**, and they become the student's budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students living in campus housing) costs are charged on the student's University bill.

Financial aid recipients are selected on the basis of demonstrated financial need, academic success, and other merits. Most Liberty financial aid awards are based on full time enrollment in aid eligible courses, which is a minimum of 12 credit hours for an undergraduate student per semester. Federal student loans and federal grants usually require a minimum of half-time enrollment. **Please note that normally 15 hours per semester is required to complete a 120 credit hour bachelor's degree within four years.** Each financial aid recipient is issued an official Financial Aid Offer, which is the University's official estimate of financial aid. Financial Aid Offers are emailed to the student's Liberty email account. It is the student's responsibility to review the Financial Aid Offer and notify the Financial Aid Office of any additional aid being received and of any desired reduction or cancellation of the aid offered. Students who want to reduce or decline federal loans that are awarded automatically to eligible students can complete an electronic Federal Direct Loan Change Request Form in their ASIST accounts.

To continue to receive institutional or federal student aid, a Liberty University student must maintain Financial Aid Satisfactory Academic Progress. The link to Liberty University's policy for determining satisfactory academic progress is listed below in the Appeal and Complaint Policies section.

For more information on financial aid, visit the Financial Aid Office located in the Student Service Center at Green Hall or at this page.

## Financial Aid Withdrawal Policy

When students cease attendance in all aid eligible classes in a given semester, they will be subject to a proration of all federal, state, and institutional aid. This proration takes into account the total number of days that the student was enrolled. Dropping a course may reduce the number of sub-terms for which a student is enrolled and may result in a recalculation of all components that make up the cost of attendance. Lastly, if a student registers full-time and subsequently withdraws from

one or more courses which results in his or her remaining enrollment changing from full-time to part-time, the student will be charged the part-time tuition rate for the remaining courses in that semester. If the new tuition rate results in a balance, the student is responsible for paying this balance.

The full policy statement and procedures are published in the Policy Directory online.

## Financial Aid Repeat Policy

Federal regulations limit the amount of federal aid that can be used when repeating a course that has previously been passed with any grade higher than an "F".

The full policy statement and procedures are published in the Policy Directory online.

## Financial Aid Disbursement Policy

Disbursing aid is the process in which the school pays funds directly to the student's school account from either internal or external aid sources, which is different from a refund. Financial aid is disbursed 21 days after the student becomes eligible.

The full policy statement and procedures are published in the Policy Directory online.

Additional information regarding how disbursements work including examples can be found on the Financial Aid Disbursement webpage.

### Federal Pell Grant

Federal Pell Grant awards range from \$750 to \$6,895 for the 2022-2023 academic year and vary from year-to-year. Award amounts are based on cost of attendance, enrollment status (full-time or part-time), and need analysis information provided on the Student Aid Report (SAR). Up to an additional 50% of Pell Grant aid may be available to students in the summer who use their entire Pell Grant in Fall and Spring, known as 'Year-Round Pell'. To receive Year-Round Pell, students must enroll at least half-time in the summer term and meet all other eligibility requirements. Summer Pell Grants, which are different from Year-Round Pell, may be available to students who did not use their entire Pell Grant in the Fall and Spring terms. Additional information may be found on our grants webpage.

### Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant (FSEOG) is available for undergraduate students with an Expected Family Contribution of zero. In the 2022-2023 academic year, the maximum award amount is \$1,000 and can vary year to year. Students are required to be enrolled at least half-time in aid eligible courses, which is six credit hours for an undergraduate student, to maintain eligibility for this award. Additional information may be found on our grants webpage.

### Federal Teach Grant Summary

The Federal TEACH grant program is the first federal grant program that requires a service agreement and has the potential of converting

to an unsubsidized loan with compounded interest from the original disbursement date. The full policy and statement and procedures are published in the Policy Directory online.

## Federal Direct Student Loans

Federal Direct Student Loans are low interest loans available to students who are enrolled at least half-time that do not require a credit check. Students demonstrating sufficient need, based on the FAFSA, may be eligible for subsidized loan funds, in which the government pays interest accrued while they are in school and during the grace period. Students who do not have sufficient demonstrated need may be eligible for unsubsidized loan funds, in which the student pays the interest. Students have the option of capitalizing the interest (adding it to the principal) while attending school or making payments on the interest while in school. Repayment begins six (6) months after students graduate, withdraw, break enrollment, or drop below half-time status. We encourage all borrowers to only borrow what is needed to cover educational expenses. Additional information regarding the Federal Direct Student loans can be found on our general loan webpage and our loan consumer information webpage.

## Federal Direct Parent Loans For Undergraduate Students (PLUS)

Federal Direct Parent Loans for Undergraduate Students (PLUS) are loans available to parents of dependent undergraduate students who are enrolled at least half-time. The Federal Direct Parent PLUS loan is a credit-based loan and, if eligible, parents may borrow up to the full cost of attendance minus all other aid. We encourage all borrowers to only borrow what is needed to cover educational expenses.

Additional information regarding the Federal Direct PLUS loans can be found on our general loan webpage and our loan consumer information webpage.

## Federal Work Study (FWS)

The Federal Work Study program provides part-time employment opportunities for students who have a demonstrated financial need based on the FAFSA. Students are paid on an hourly basis; pay will be at least the current federal minimum wage. The total amount of aid a student receives from both federal and non-federal sources cannot exceed financial need. The \$5,000 Federal Work Study funds cannot be applied toward the student's account balance during initial Financial Check-In. Federal Work Study is awarded to eligible students with remaining federally defined unmet need. Awards are made until projected program funds are depleted. Students who earn Federal Work Study wages will not have this income count against them in their EFC on the following year's FAFSA.

The full policy statement and procedures are published in the Policy Directory online.
