The Financial Aid Office coordinates and administers the financial aid programs for the University. The Financial Aid Office provides financial assistance to students who have a financial need and who would otherwise be unable to attend Liberty University. The student and the student's family are primarily responsible for the cost of higher education. A student who needs financial assistance is expected to contribute by working or borrowing a reasonable portion of the funds needed for educational expenses. The student's family, as applicable, is expected to make a maximum effort to assist in the payment of the expenses involved.

Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, scholarships, employment, loans, and external aid sources. Grants and scholarships are "gift aid" and do not need to be repaid. Employment offered as a type of financial aid is paid at a pre-determined rate for work actually performed. Loans must be repaid to the lender based on the terms of the signed master promissory note and agreed repayment plan, typically after the student leaves school. The Financial Aid Office processes several different forms of external aid for both Online and Residential students. The Financial Aid Office does not approve or deny any form of external aid, but will process what has already been approved by a donor or funding entity.

All applicants for financial aid are required to:

1. Apply for admission to the University;
2. Be degree candidates. Student auditors, dually enrolled high school students and special non-degree students are not eligible for federal financial aid; and
3. Complete, electronically sign, and submit a Free Application for Federal Student Aid (FAFSA) with the U.S. Department of Education (ED) by the Fall priority deadline of January 15th each year in which federal and institutional financial aid is desired. Students are urged to apply early for optimum financial aid benefits. Complete the FAFSA on the web at https://studentaid.gov/. The student must add Liberty University, onto the FAFSA under the “School Selection” tab for the Liberty to receive the student’s FAFSA record. Liberty’s school code is 010392. Applicants should use the I.R.S. Data Retrieval Tool to transfer the requested tax information onto the FAFSA to ensure information on the FAFSA is accurate and to save time when completing the FAFSA. If unavailable, the applicant’s I.R.S. Tax Return or Tax Return Transcript can be used to manually input the requested income information. If needed, a copy of the Tax Return Transcript can be obtained by going to https://www.irs.gov and selecting “Get a Tax Transcript” under Tools. Lastly, select “Get Transcript Online”, as available.

For new students entering in the Spring semester, the preferred date to file the FAFSA is by October 1.
4. Complete verification or any other aid reviews when required.

Once the completed FAFSA is received by ED, information provided by the student on the FAFSA is used to generate a Student Aid Report (SAR). The SAR indicates the amount of money the student and/or the student’s family is expected to contribute towards the student’s education. This is called the Expected Family Contribution (EFC) and is used to determine the student’s financial need.

The student’s financial need is the difference between the Cost of Attendance and the EFC. The Cost of Attendance, regardless of the student’s dependency status, includes the educational expenses of:

- Tuition;
- Room and board (for students living on and off campus);
- Required fees;
- Books and supplies;
- Transportation; and
- Miscellaneous expenses.

The amounts for these six educational expenses are the student’s estimated Cost of Attendance at Liberty University, and they become the student’s budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students living in campus housing) are charged on the student’s University bill.

Financial aid recipients are selected on the basis of demonstrated financial need, academic success, and other merits. Most Liberty financial aid awards are based on full time enrollment, which is a minimum of 12 credit hours for an undergraduate student per semester. Federal student loans and federal grants usually require a minimum of half-time enrollment. Please note that normally 15 hours per semester is required to complete a 120 credit hour bachelor’s degree within four years. Each financial aid recipient is issued an Award Notification Letter, which is the University’s official estimate of financial aid. Award Notification Letters are emailed to the student’s Liberty email account. It is the student’s responsibility to review the award letter and notify the Financial Aid Office of any additional aid being received and of any desired reduction or cancellation of the aid offered. Students who want to reduce or decline federal loans that are awarded automatically to eligible students can complete a Loan Change Form in ASIST.

In order for a Liberty University student to continue to receive institutional or federal student aid, the student must maintain Financial Aid Satisfactory Academic Progress. The link to Liberty University’s policy for determining satisfactory academic progress is listed below in the Appeal and Complaint Policies section.

For more information on financial aid, visit the Financial Aid Office located in the Student Service Center at Green Hall or on the Internet web site at https://www.liberty.edu/student-financial-services/.

**Financial Aid Withdrawal Policy**

When students cease attendance in all classes in a given semester, they will be subject to a proration of all federal, state, and institutional aid. This proration takes into account the total number of days that the student was enrolled. Dropping a course reduces the number of sub-terms for which a student is enrolled and will result in a recalculation of all components that make up the cost of attendance. Lastly, if a student registers full-time and subsequently withdraws from one or more courses which results in his or her remaining enrollment changing from full-time to part-time, the student will be charged the part-time tuition rate for the remaining courses in that semester. If the new tuition rate results in a balance, the student is responsible for paying this balance.

Students who do not have sufficient demonstrated need may be eligible for unsubsidized loan funds, in which the student pays the interest. Students have the option of capitalizing the interest (adding it to the principal) while attending school or making payments on the interest while in school. Repayment begins six (6) months after students graduate, withdraw, break enrollment, or drop below half-time status. We encourage all borrowers to only borrow what is needed to cover educational expenses. The $4,000 Federal Work Study funds cannot be applied toward the student’s account balance during initial Financial Check-In. Federal Work Study is awarded to eligible students with remaining federally defined unmet need. Awards are made until projected program funds are depleted. Students who earn Federal Work Study wages will not have this income count against them in their EFC on the following year’s FAFSA.
