

INTERNATIONAL STUDENT CENTER

The C. Daniel Kim International Student Center (ISC) supports the unique needs of international students at Liberty University. The ISC sponsors nearly 50 events per year celebrating international students and their cultures and giving international students an opportunity to share their culture with the rest of the student body.

The International Student Center is the primary location for information and activities for current international students. International Student Advisors, International Student Advocates, and other staff are all housed in the International Student Center. More information regarding the ISC and additional information for international students is provided at <https://www.liberty.edu/casas/international-student-center/>.
