

ARMY - ROTC

Purpose

The Army Reserve Officers Training Corps (ROTC) offers a general military science curriculum that develops leadership abilities in eligible men and women to earn a commission as an officer in the United States Army's active duty, National Guard, or Army Reserve.

Scholarship Program

Merit based financial incentives may be offered to qualified students, as funds are available, through two, three, and four-year scholarships (full tuition fees), a book allowance of \$1,200 annually, and a monthly stipend of up to \$500 per month. Scholarship students incur a military obligation.

Internship

Internships and Army training opportunities are available during the summers for qualified students. Participants are provided transportation, food, lodging, uniforms, and are paid while conducting the training.
