

MILITARY STUDIES (B.S.)

Purpose

To train Military Service men and women, civilian contractors and government workers, military historians, and intelligence officers within the context of a biblical worldview in order to foster Christian leadership, morality, patriotism, and lasting support for the nation of Israel.

Program Learning Outcomes

The student will be able to:

- Apply research methodology to the study of military operations.
- Evaluate operational warfare and campaigns that shaped Western tradition and government.
- Analyze military strategies, leadership, and major operational themes within the context of military campaigns and occupation and post-military campaigns and operations.
- Apply a Christian worldview to military studies.
