Courses

SOWK 101 Introduction to Social Work 3 Credit Hour(s)
Introduction to Social Work and Social Welfare is a course that gives an overview of the field of social work practice. Topics regarding the ecclesiastical beginnings of the profession, additional historical components, the integration of faith and practice, as well as social work values and ethics will be explored.
Offered: Resident and Online

SOWK 120 Social Work Field Exploration 2 Credit Hour(s)
Prerequisite: ENGL 102
Social Work Field Exploration is the study of social work practice and settings of practice. Topics in the course are centered on social work practice in places such as child welfare, schools, domestic violence shelters, hospice, hospitals, mental health clinics, assisted living facilities, and early intervention programs.
Offered: Resident

SOWK 135 Social Work Field Exploration and Observation 3 Credit Hour(s)
Online Prerequisite: ENGL 102
Social Work Field Exploration and Observation is the study of social work practice and settings of practice. Topics in the course are centered on social work practice in places such as child welfare, schools, domestic violence shelters, hospice, hospitals, mental health clinics, assisted living facilities, and early intervention programs. Participatory observation of a professional social worker for a full work week is also included in this course.
Offered: Online

SOWK 150 Intensive Social Work Observation 1 Credit Hour(s)
Intensive Social Work Observation is the study of social work practice within one particular setting of practice. The topic of this course centers on the participatory observation of a professional social worker for a full work week. Settings may include, but are not limited to places such as child welfare agencies, schools, domestic violence shelters, hospice facilities, hospitals, mental health clinics, assisted living facilities, and early intervention programs.
Offered: Resident and Online

SOWK 200 Introduction to Social Work and Human Services 3 Credit Hour(s)
An introduction to the field of Social Work and Human Services. Consideration will be given to such topics as the history and current development of social welfare programs, methods of influencing social change, professional values and ethics, the particular needs of at-risk populations, theories of human behavior, and family, group, community and organizational functioning.
Offered: Resident

SOWK 250 Health of the Social Worker 3 Credit Hour(s)
This course emphasizes the personal health and self-care of the social worker.
Offered: Resident and Online

SOWK 260 Chemical Dependency 3 Credit Hour(s)
Prerequisite: ENGL 102
Chemical Dependency is a course that presents an overview of the concepts associated with the use and abuse of alcohol and other drugs. Topics in the course are the various perspectives on treatment and prevention options; each topic is evaluated through a biblical worldview.
Offered: Resident and Online

SOWK 270 Ethics in Professional Helping 3 Credit Hour(s)
Prerequisite: (SOWK 101 or PSYC 101 or SOCI 200) and ENGL 102
Ethics in Professional Helping is the study of values and principles of ethical decision making. Topics in the course are ethical dilemmas, critical thinking, professional code of ethics, and common morality. Each topic is evaluated through a biblical worldview.
Offered: Resident and Online
