

ACCOUNTING MAJOR (A.A.)

Purpose

The Associate of Arts in Accounting major is an introductory program designed to develop students' competencies in basic accounting skills. Students will develop proficiency in Generally Accepted Accounting Principles from an internal and external user perspective. Students will also learn to identify, analyze, and appropriately record business transactions in an ethical manner based on a sound moral and biblical perspective.

Program Learning Outcomes

The student will be able to:

- Demonstrate competence in basic accounting procedures and principles.
- Communicate effectively using appropriate research style and methods.
