

ACCOUNTING MAJOR (B.S.)

Purpose

Liberty University's accounting program prepares students to be effective leaders in business. The program develops the proficiency in communication and computer application skills needed to work with complex accounting issues. Students also learn to identify, analyze and appropriately deal with ethical dilemmas from a sound moral and biblical perspective.

Program Learning Outcomes

The student will be able to:

- Evaluate business transactions in accordance with accounting and auditing standards as set by the governing bodies within the accounting discipline.
- Communicate effectively in written, oral, and technical venues.
- Identify, evaluate, and appropriately deal with ethical dilemmas from a sound moral and biblical perspective.
