

FILM PRODUCTION & CREATIVE DEVELOPMENT MAJOR (B.F.A.)

Purpose

The Bachelor of Fine Arts in Film Production and Creative Development's purpose is to mentor, educate, and mature filmmakers to become artists and servant-leaders who exemplify Christ in their interpersonal relationships and in the production of artistic and commercially viable creative narrative cinema productions that glorify God through Christ.

Program Learning Outcomes

The student will be able to:

- Integrate thematic and artistic values in storytelling.
- Plan personnel and technical elements relevant to the visual and/or aural content of a story.
- Design the distribution model for a narrative media production.
- Justify moral and aesthetic decisions related to narrative media production based on Judeo-Christian principles.
