

PARALEGAL STUDIES CERTIFICATE

Purpose

The Certificate in Paralegal Studies includes theoretical courses but primarily focuses on practical information and skills needed to enhance one's ability to serve as a legal assistant. Accordingly, most of the courses are taught by instructors with actual experience in the legal profession.

Program Learning Outcomes

The student will be able to:

- Demonstrate proficiency in legal research and writing skills as required in the legal field.
- Evaluate legal issues from a distinctively Christian worldview as well as understand and apply ethics as it relates to paralegal studies.
