

GUITAR PERFORMANCE MAJOR (B.M.)

Purpose

The purpose of the Bachelor of Music in Guitar Performance major is to prepare students to be uniquely skilled performers and music practitioners in the area of the guitar.

Program Learning Outcomes

The student will be able to:

- Demonstrate technical fluency, expressiveness, style, and professionalism in musical performance.
- Apply broad-based knowledge of music through research in the areas of music history, music theory, and music literature.
- Integrate Christian faith into the discipline of music.
- Demonstrate advanced performance skills in appropriate performance media.
