

MUSIC EDUCATION MAJOR (B.M.)

Purpose

The Bachelor of Music in Music Education major exists to equip students to become licensed music educators in Christian, public, or private schools.

Program Learning Outcomes

The student will be able to:

- Demonstrate technical fluency, expressiveness, style, and professionalism in musical performance.
- Apply broad-based knowledge of music through research in the areas of music history, music theory, and music literature.
- Integrate Christian faith into the discipline of music.
