

MUSIC MINORS

The 18-19 credit hour minor option is offered to students wishing to augment their educational experiences with a general study in music. As with the music major, those pursuing the music minor select a primary area for study, vocal or instrumental. Students pursuing the music minor may participate in School of Music ensembles, applied music, and select music methods classes.

The music minor curriculum does not require a senior recital, music internship, or student teaching. However, all students pursuing music minors are required to register attendance at 24 approved concerts and/or recitals before graduation.
