

# RELIGION MAJOR (B.S.)

---

## Purpose

The B.S. in Religion major provides a broad introduction to the major issues, themes, and ideas of religious studies to prepare individuals for diverse vocational opportunities. With various cognate options, graduates from this program are prepared for a broad range of ministry positions or continued academic studies through graduate school.

## Program Learning Outcomes

The student will be able to:

- Articulate and biblically justify essential truths of evangelical Christianity.
- Demonstrate knowledge of the structure and content of the Bible.
- Demonstrate competence in the use of sound principles of biblical interpretation.
