

INTERDISCIPLINARY STUDIES (INDS)

INDS 200 Interdisciplinary Careers 1 Credit Hour(s)

Designed to promote and strengthen early awareness of the career development process. While topics are personalized, competencies include assessing, identifying, and evaluating personal values and personality strengths for career application; conducting specific job research; and solidifying career plans using critical thinking and logic. Students will also develop a proficiency in networking and job search techniques, resume building, and effective interviewing skills for a relevant field of interest.

Offered: Resident and Online

INDS 299 Experiential Learning and Intern/Externship 0 Credit Hour(s)

INDS 299 provides students with hands-on practice as they complete an internship or other experience related to their coursework. Students complete all requirements for the internship or experience. Enrolling in this course documents a student's experience so they may be identified if they break enrollment or do not participate in a 499 requirement for their program of study. Course results in 0 credit hours.

Offered: Resident and Online

INDS 400 Knowledge Synthesis for Professional and Personal Development 3 Credit Hour(s)

Designed to assess student mastery of content knowledge for the Interdisciplinary Studies degree programs, this capstone course requires students to produce a carefully organized summation and synthesis of accomplishments, learning, and goals related to their undergraduate degree program at Liberty University. Throughout this process, students will discover a greater understanding of transferable skills and qualifications and how these relate to career opportunities and/or graduate school respectively.

Registration Restrictions: Junior or Senior standing in INDS program

Offered: Resident and Online
